,1991 *Real Photo Postcard Guide* Robert Bogdan,Todd Weseloh,2006-09-21 The Real Photo Postcard Guide is an
informative comprehensive and practical treatment of this wildly popular American phenomenon that dominated the United
States photographic market during the first third of the twentieth century Robert Bogdan and Todd Weseloh draw on
extensive research and observation to address all aspects of the photo postcard from its history origin and cultural
significance to practical matters like dating purchasing condition and preservation Illustrated with over 350 exceptional
photo postcards taken from archives and private collections across the country the scope of the Real Photo Postcard Guide
spans technical considerations of production characteristics of superior images collecting categories and methods of
research for dating photo postcards and investigating their photographers In a broader sense the authors show how real
photo postcards document the social history of America From family outings and workplace awards to lynchings and natural
disasters every image captures a moment of American cultural history from the society that generated them Bogdan and
Weseloh s book provides an admirable integration of informative text and compelling photographic illustrations Collectors
archivists photographers photo historians social scientists and anyone interested in the visual documentation of America will
