The New Cruising Cookbook Russell K. Jones, C. McKim Norton, 1960 [The National Union Catalog, Pre-1956 Imprints](#)
Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog
Subcommittee, 1973 **Southwinds Gourmet** Susan Garrett Mason, 1998 Not just another cruising cookbook Southwinds
Gourmet Easy Recipes from a Cruising Cook is a highly entertaining collection of stories and recipes Written by Susan
Garrett Mason the book is not a matter of fact listing of recipes in a bland here they are style Instead the book imaginatively
explains the history of many foods along with stories of how the author became acquainted with the recipes The stories are
every bit as enjoyable to read as the food is to eat Susan started preparing these delightful meals while cruising with her
husband aboard their boat in Florida and the Caribbean She refined the recipes to accommodate the small galleys tiny
cooktops and limited counter space of most boats Sailors know there are many things to do while cruising other than
spending time in the galley Therefore each recipe is easy to understand and quickly prepared using readily available
ingredients Southwinds Gourmet shows it does not take an experienced chef in a huge kitchen to prepare meals that are
simply sublime As a testament to the quality of the cookbook all 100 plus recipes in the book originally appeared in Susan's
long running food column in Southwinds sailing magazine A food column runs that long only if the stories and food are great
Even if you never intend to step foot on a boat you can still enjoy this great cookbook and all the quick and easy recipes it
contains [The Boat Galley Cookbook: 800 Everyday Recipes and Essential Tips for Cooking Aboard](#) Carolyn Shearlock, Jan
Irons, 2012-09-28 No matter what anyone tells you boat cooking IS different from cooking ashore The space is smaller there's
no grocery store 5 minutes away you have fewer prepared foods and electric appliances and food storage is much different
Despite cruising different oceans we Jan and Carolyn both faced the same challenges eating well while having time to enjoy
all the other great aspects of cruising We love to snorkel swim kayak explore and just sit and admire the view We learned
with the cookbooks we both had aboard and wished for information that wasn't available like when Jan ended up with a
frozen chicken complete with head and feet and no instructions on how to cut it up When we couldn't get foods such as sour
cream English muffins spaghetti sauce or yogurt we adapted recipes to make our own Other times we experimented with
substituting ingredients maybe the result wasn't identical but it was still tasty We ended up with over 150 substitutions and
dozens of make it yourself options As we traded recipes and knowledge with each other we realized we were compiling
information that became *The Boat Galley Cookbook* 800 recipes made from readily obtainable ingredients with hand utensils
including numerous choices to suit every taste not just one cake but 20 16 ways to prepare fish 10 regional barbeque sauces
and so on Step by step directions to give even non cooks the confidence they can turn out tasty meals without prepared foods
Detailed instructions on unfamiliar things like making yogurt and bread grilling virtually every food imaginable preparing
and cooking freshly caught fish and seafood cutting up and boning meat cooking in a Thermos and baking on the stove top as

well as lots of tips on how to do things more easily in a tiny moving kitchen All this in an easy to navigate format including side tabs on the Contents to help you find your way and extensive cross reference lists at the end of each chapter Quick Reference Lists provide idea starters suggestions of included recipes for such categories as Mexican Asian and Potluck The Boat Galley Cookbook is designed to help you every step of the way We hope it becomes a trusted reference on your boat and a source of many enjoyable meals
