Cry Uncle:

The Films of John G. Avildsen Larry Powell, Tom Garrett, 2013-12-19 The life and work of American director John G Avildsen is thoroughly examined in this detailed filmography and critical study Each of the most significant films made by the Oscar winning Avildsen is given a separate chapter including such critical successes as Joe and Save the Tiger and box office blockbusters Rocky and its sequels and the Karate Kid series The authors observations on these and other titles some well known others less familiar are enhanced by extensive production notes and by commentary from John G Avildsen himself Cinema historian Jean Bodon of Sam Houston State University provides a foreword *Back on the Farm* Harold W. Sullivan, 2023-01-05 Back on the Farm is a collection of 176 humorous stories Harold Sullivan wrote for his grandchildren about growing up on a farm in Comet West Virginia during the 30s and 40s The moments that were the basis of the stories were frozen in time for the author and his fond retelling When I was a boy back on the farm recreates that life in the reader's mind too His stories are of small triumphs giant failures and a few in between They are funny tales of his relationship with his younger sister whom as one story recounts he convinced to let him shoot her with a homemade BB gun This sister then pretended it didn't hurt so she would shoot him too Many of the stories are about his hardworking mother such as the time Harold and his sister made mud pies with eggs from the farm a huge financial loss in the Depression and Momma spanked them twice once for the act and again when she found they had taken all the eggs The hero of many of his stories was his father a big man in many ways whose battle with the pushy cow showed the personality of the man and of the cow Harold's stories are of a way of life that doesn't exist anymore in the tiny community of Comet West Virginia which doesn't exist anymore either But for the people who lived there or for anyone who has lived on a farm the tales from Harold's memory bring back a simpler time worth revisiting These stories of a boy growing up among hardworking and close knit family and community are a love song to life Back on the Farm Cry Uncle! The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
