## Crystal Vision:

Crystal Vision Gilbert Sorrentino, 1999 Both comic and haunting Crystal Vision invokes the world of magic and the arcane as filtered through a group of characters gathered on the streets and in the stores of their Brooklyn neighborhood to gossip insult lust brag and argue In a series of seventy eight short narratives Gilbert Sorrentino perfectly captures the speech illusions and confusion of The Magician Ritchie The Arab Irish Billy Big Duck Doc Friday Fat Frankie and many others Through formal inventiveness Sorrentino liberates these characters from the confines of realism and gives us their world zany vulgar hilarious and exuberant

Crystal Vision Trough Crystal Gazing Frater Achad, 2023-01-30 The Purpose of this little volume is three fold 1 To give those who are interested in the art of Crystal Gazing a clear and concise method of procedure not alone in the practice of the work but also in the preparation of the crystal itself so that it becomes a true material basis or link with other planes 2 To show that the Ancient Methods of Working if properly understood are more scientific than modern ones since they were designed to insure a definite type of vision and to put the Seer in touch with definite Intelligences of a Higher Order 3 To point out that there are other Crystalline Spheres besides the crystal ball at first used to contact them and that eventually the practice may lead to very high results if the necessary steps are taken to insure success
