This tragically leads to us living nowhere near our best lives. There is simply no reason for you not to live an abundant, happy, fulfilled life free of harmful energetic influences surrounding imposing your space. The Earth is full of Source energy. You're feeling your aura radiating around your hands. Connecting to the Earth is not a luxury but a deep need. If you want to find the secrets of the universe, think in terms of energy, frequency, and vibration. Nikola Tesla: Recent research suggests that the earth's magnetic field is powered by quartz crystals deep within the core. Crystals form a bridge between us and what we used to know but have long since forgotten how to reach deep inside to understand, heal.
