

Cuban Revolution

David Craven

Cuban Revolution:

The Origins of the Cuban Revolution Reconsidered Samuel Farber, 2007-09-06 Analyzing the crucial period of the Cuban Revolution from 1959 to 1961 Samuel Farber challenges dominant scholarly and popular views of the revolution's sources, shape, and historical trajectory. Unlike many observers who treat Cuba's revolutionary leaders as having merely reacted to U.S. policies or domestic socioeconomic conditions, Farber shows that revolutionary leaders, while acting under serious constraints, were nevertheless autonomous agents pursuing their own independent ideological visions, although not necessarily according to a master plan. Exploring how historical conflicts between U.S. and Cuban interests colored the reactions of both nations' leaders after the overthrow of Fulgencio Batista, Farber argues that the structure of Cuba's economy and politics in the first half of the twentieth century made the island ripe for radical social and economic change, and the ascendant Soviet Union was on hand to provide early assistance. Taking advantage of recently declassified U.S. and Soviet documents, as well as biographical and narrative literature from Cuba, Farber focuses on three key years to explain how the Cuban rebellion rapidly evolved from a multiclass antidictatorial movement into a full-fledged social revolution.

[Inside the Cuban Revolution](#) Julia Sweig, 2009-06-30 Sweig shatters the mythology surrounding the Cuban Revolution in a compelling revisionist history that reconsiders the revolutionary roles of Castro and Guevara and restores to a central position the leadership of the Llanero. Granted unprecedented access to the classified records of Castro's 26th of July Movement's underground operatives, the only scholar inside or outside of Cuba allowed access to the complete collection in the Cuban Council of State's Office of Historic Affairs, she details the debates between Castro's mountain-based guerrilla movement and the urban revolutionaries in Havana, Santiago, and other cities. *A History of the Cuban Revolution* Aviva Chomsky, 2010-11-23 A History of the Cuban Revolution presents a concise socio-historical account of the Cuban Revolution of 1959, an event that continues to spark debate 50 years later. Balances a comprehensive overview of the political and economic events of the revolution with a look at the revolution's social impact. Provides a lively on-the-ground look at the lives of ordinary people. Features both U.S. and Cuban perspectives to provide a complete and well-rounded look at the revolution and its repercussions. Encourages students to understand history through the viewpoint of individuals living it. Selected as a 2011 Outstanding Academic Title by CHOICE.

The Cuban Revolution Sam Dolgoff, 1976 Sam Dolgoff analyzes the Cuban Revolution. He presents a historical perspective that arrives at new insights into social and political change. Sam Dolgoff (1902-1990) played an important role in anarchist movements since the early 1920s. He was a member of the Chicago Free Society Group and co-founded the New York Libertarian League. **A Short History of Revolutionary Cuba** Antoni Kapcia, 2020-12-24 Few island nations have stirred the soul like Cuba. From Hemingway's intoxicating Havana to Ry Cooder's Buena Vista Social Club, outsiders have persistently been fascinated by Cuba for its music, jazz, to rumba, its rich literature, its art, and dance, danzón to mambo, and perhaps above all for its bold experiment of a socialist revolution in action. Antoni Kapcia

shows how the thaw in relations between Cuba and the USA now makes a fresh appraisal of the country and its modern history essential He authoritatively explores the essence of the Cuban revolution revealing it to be a maverick phenomenon tied not so much to socialism or Communism for their own sakes but instead to an idealistic vision of postcolonial nationalism Reassessing the Cuban Missile Crisis of 1962 the author examines the central personalities not just the famous trio of Che Guevara Fidel and Ra l Castro in shaping the ideas of the revolution but still further back the visionary ideology of Jos Mart Kapcia s book reflects on the future of the revolution as a l nd his government began to cede power to a new generation

Revolutionary Cuba Luis Martínez-Fernández,2014-09-16 This is the first book in more than three decades to offer a complete and chronological history of revolutionary Cuba including the years of rebellion that led to the revolution Beginning with Batista s coup in 1952 which catalyzed the rebels and bringing the reader to the present day transformations initiated by Ra l Castro Luis Mart nez Fern ndez provides a balanced interpretive synthesis of the major topics of contemporary Cuban history Expertly weaving the myriad historic social and political forces that shaped the island nation during this period Mart nez Fern ndez examines the circumstances that allowed the revolution to consolidate in the early 1960s the Soviet influence throughout the latter part of the Cold War and the struggle to survive the catastrophic Special Period of the 1990s after the collapse of the U S S R He tackles the island s chronic dependence on sugar production which started with the plantations centuries ago and continues to shape culture and society He analyzes the revolutionary pendulum that continues to swing between idealism and pragmatism focusing on its effects on the everyday lives of the Cuban people and bucking established trends in Cuban scholarship Mart nez Fern ndez systematically integrates the Cuban diaspora into the larger discourse of the revolution Concise well written and accessible this book is an indispensable survey of the history and themes of the socialist revolution that forever changed Cuba and the world

Contesting Castro Thomas G. Paterson,1995-10-12 Today they stand as enemies but in the 1950s few countries were as closely intertwined as Cuba and the United States Thousands of Americans including Ernest Hemingway and Errol Flynn lived on the island and in the United States dancehalls swayed to the mambo beat The strong arm Batista regime depended on Washington s support and it invited American gangsters like Meyer Lansky to build fancy casinos for U S tourists Major league scouts searched for Cuban talent The New York Giants even offered a contract to a young pitcher named Fidel Castro In 1955 Castro did come to the United States but not for baseball He toured the country to raise money for a revolution Thomas Paterson tells the fascinating story of Castro s insurrection from that early fund raising trip to Batista s fall and the flowering of the Cuban Revolution that has bedeviled the United States for more than three decades With evocative prose and a swift moving narrative Paterson recreates the love hate relationship between the two nations then traces the intrigue of the insurgency the unfolding revolution and the sources of the Bay of Pigs invasion CIA assassination plots and the missile crisis The drama ranges from the casino blackjack tables to Miami streets from the Eisenhower and Kennedy White Houses to the crowded deck of the Granma the frail boat that carried

the Fidelistas to Cuba from Mexico from Batista's fortified palace to mountain hideouts where Raul Castro held American hostages Drawing upon impressive international research including declassified CIA documents and interviews Paterson reveals how Washington fixated on the issue of Communism failed to grasp the widespread disaffection from Batista The Eisenhower administration alienated Cubans by supplying arms to a hated regime by sustaining Cuba's economic dependence and by conspicuously backing Batista As Batista self-destructed U.S. officials launched third force conspiracies in a vain attempt to block Castro's victory By the time the defiant revolutionary leader entered Havana in early 1959 the foundation of the long bitter hostility between Cuba and the United States had been firmly laid Since the end of the Cold War the futures of Communist Cuba and Fidel Castro have become clouded Paterson's gripping and timely account explores the origins of America's troubled relationship with its island neighbor explains what went wrong and how the United States let this one get away and suggests paths to the future as the Clinton administration inches toward less hostile relations with a changing Cuba

Cuban Revolution Reader Julio García Luis, 2008 From the euphoria of the early years of the revolution to its near collapse in the 1990s Julio Garcia Luis has selected a broad range of material to provide a sweeping vision of post-Batista Cuba Photographs essays and documentary evidence examine the challenges defeats and impact on the world of the greatest popular revolution in 20th century history Includes contributions from Fidel Castro Che Guevara Raul Castro and John F Kennedy

Castro and the Cuban Revolution Thomas M. Leonard, 1999-04-30 The most up to date reference on Castro and the Cuban revolution

A History of the Cuban Revolution Aviva Chomsky, 2010-11-15 A History of the Cuban Revolution presents a concise socio-historical account of the Cuban Revolution of 1959 an event that continues to spark debate 50 years later Balances a comprehensive overview of the political and economic events of the revolution with a look at the revolution's social impact Provides a lively on the ground look at the lives of ordinary people Features both U.S. and Cuban perspectives to provide a complete and well rounded look at the revolution and its repercussions Encourages students to understand history through the viewpoint of individuals living it Selected as a 2011 Outstanding Academic Title by CHOICE

That Infernal Little Cuban Republic Lars Schoultz, 2009 Presents a history and an evaluation of relations between the United States and Cuba over a fifty year period and advocates a new approach and an acknowledgement of Cuba's right to self-determination

Episodes of the Cuban Revolutionary War, 1956-58 Che Guevara, 1996 A first hand account of the military campaigns and political events that culminated in the January 1959 popular insurrection that overthrew the U.S. backed dictatorship in Cuba With clarity and humor Guevara describes his own political education He explains how the struggle transformed the men and women of the Rebel Army and July 26 Movement led by Fidel Castro And how these combatants forged a political leadership capable of guiding millions of workers and peasants to open the socialist revolution in the Americas Guevara's Episodes appears here complete for the first time in English

Art and Revolution in Latin America, 1910-1990 David Craven, 2006-01-01 In this uniquely wide ranging book David Craven investigates the

extraordinary impact of three Latin American revolutions on the visual arts and on cultural policy The three great upheavals in Mexico 1910 40 in Cuba 1959 89 and in Nicaragua 1979 90 were defining moments in twentieth century life in the Americas Craven discusses the structural logic of each movement s artistic project by whom how and for whom artworks were produced and assesses their legacies In each case he demonstrates how the consequences of the revolution reverberated in the arts and cultures far beyond national borders The book not only examines specific artworks originating from each revolution s attempt to deal with the challenge of socializing the arts but also the engagement of the working classes in Mexico Cuba and Nicaragua with a tradition of the fine arts made newly accessible through social transformation Craven considers how each revolution dealt with the pressing problem of creating a dialogical art one that reconfigures the existing artistic resource rather than one that just reproduces a populist art to keep things as they were In addition the author charts the impact on the revolutionary processes of theories of art and education articulated by such thinkers as John Dewey and Paulo Freire The book provides a fascinating new view of the Latin American revolutionaries from artists to political leaders who defined art as a fundamental force for the transformation of society and who bequeathed new ways of thinking about the relations among art ideology and class within a revolutionary process

Reminiscences of the Cuban Revolutionary War Che Guevara, 1998-12 Guevara left behind him writing that will endure among the best of revolutionary literature Not only is this book a step by step account of the revolution within a revolution but it is also a highly readable personal journal Fort Worth Star Telegram

The Moncada Attack Antonio Rafael De la Cova, 2007 The account of Fidel Castro s rise to power is not complete without mention of the failed attacks of July 26 1953 on the Cuban army garrisons at Moncada and Bayamo This text views this initial overthrow attempt as a propaganda victory that marked the start of Castro s ascent to national power

The Cuban Revolution G. Lievesley, 2003-12-19 The Cuban Revolution offers a reflective account of what the Revolution has meant to various actors such as the dominant powers the Third World fellow revolutionaries intellectuals and Cuban citizens at different periods in its history Rather than offer a simple narrative of events Geraldine Lievesley addresses significant themes with which the Revolution has engaged and the problems that it has encountered

Response to Revolution Richard E. Welch Jr., 2017-10-01 The Cuban Revolution was a catalyst in shaping American foreign policy over the past generation Welch s study is the first detailed evaluation of U S policy toward Cuba in the early years of the Castro regime and the first effort to analyze public sentiment during that crucial period Our response to Cuba was a mirror of our Cold War assumptions and frustrations and of our apprehensions concerning revolutionary movements abroad

The USSR and the Cuban Revolution Jacques Lévesque, 1978

The Cuban Revolution Georges A Fauriol, Juan Carlos Weiss, Hugh Thomas Of Swynnerton, Hugh S. Thomas, 2019-07-11 January 1984 marked the 25th anniversary of Fidel Castro s emergence to power The Cuban Revolution 25 Years Later is a product of the CSIS Cuba Project a long term effort to focus public as well as policymaker s attention on Cuba related affairs The lead author Lord Thomas of

Swynnerton is the dean of political historical studies on Cuba and author of the encyclopedic Cuba The Pursuit of Freedom A great deal of myth surrounds the evolution of Cuba since Castro's emergence to power over 25 years ago Some of this myth is the product of official Cuban propaganda some of it is also due to a generally misinformed American public Sifting through available data to distinguish between fact and fiction this book evaluates broadly the impact of Castro's regime on Cuba itself Based on the findings of the CSIS Cuba Project the book draws on the assessments of 18 top Cuban specialists on the political economic cultural and social development of Cuba since 1959 In contrast to democracies such as Costa Rica the equalization of society that has taken place under Castro's leadership has been accomplished by redistributing existing resources not by creating new wealth Moreover the authors conclude that in politics culture and the economy Cuba under Castro has become and remains rigid stagnant enormously militarized and ideologically absolutist

Fidel in the Cuban Socialist Revolution José Bell Lara, Tania Caram León, Delia Luisa López García, 2019-12-02 The book makes accessible a selection of speeches and television appearances by Fidel Castro during the first two years of the Cuban Revolution Readers can trace the evolution of this legendary leader's radical political thought and analyze his extraordinary capacity for overcoming adverse political and ideological circumstances in a constant movement towards a socialist ideal The work is organized chronologically with introductory presentations prepared by Cuban experts Jos Bell Tania Caram and Delia Luisa Lopez and includes a glossary and bibliography The methodology of this work is original and includes material from 1959 not previously published elsewhere

Right here, we have countless book **Cuban Revolution** and collections to check out. We additionally come up with the money for variant types and along with type of the books to browse.
