## **Cuento Español De Posguerra:**

**Cuento español de posguerra**, 1984      **Cuento español de posguerra** Medardo Fraile, 1986 Esta antología pretende recoger aquellos cuentos cuyos autores vivieran en esta época y que tengan ciertos elementos comunes final abierto con regusto de melancolía y esperanza de carencia o de pérdida La nómina de autores Mihura Cela Cunqueiro Aldecoa Martín Gaité entre otros muchos      Cuento español de la posguerra, 1986      El cuento español en el siglo XX Epicteto Díaz Navarro, José Ramón González García, 2002 Este libro propone al lector mediante la revisión de un corpus textual ampliamente representativo un acercamiento panorámico a los principales autores y tendencias del cuento literario español en el siglo XX Es pues y sobre todo una útil herramienta informativa que permite apreciar la riqueza y la variedad de un género que carecía hasta el momento de un estudio sintáctico que proporcionase una visión de conjunto En este sentido aspira a cubrir un vacío bibliográfico ofreciendo un mapa general con el que iniciar un recorrido crítico capaz de valorar lo que la práctica del cuento ha dado de sí en la España de los últimos cien años Por otra parte la particular atención que presta a los procedimientos narrativos y a las fórmulas propias desarrolladas por cada uno de los autores estudiados apunta posibles vías de acercamiento y sirve de orientación a quien desee profundizar en el conocimiento de una obra o de un período determinado      *Cuentos sin hadas* Carlos Edmundo de Ory, 2017-02-09 Pocas veces se ha topado en su historia la literatura española con una personalidad tan ecléctica y refractaria a etiquetas y escalafones como la de Carlos Edmundo de Ory Cádiz 1923 Thzy Glimont 2010 Un escritor al que le gustaba ser integrado en la categoría de los raros Sabía que ahí jugaba con la ventaja que la independencia le concedía para hacer y deshacer sin atenerse al imperativo de las modas o a las fluctuaciones del tiempo En ese terreno germinó su lucidez alucinada su sentido sacralizado de la creación y esa cosa esquiva que se llama genio Cualidades analizadas en profundidad en su poesía pero a las que se les ha prestado poca atención a la hora de tratar su narrativa Sin embargo su dedicación al cuento no fue episódica sino una constante y una de las facetas más interesantes y menos conocidas del conjunto de su obra      *Españoles en Europa*, 2018-07-03 Españoles en Europa Identidad y Exilio desde la Edad Moderna a nuestros días as focuses on exile as a great identifier of modern times It constitutes a highly comprehensive view of Hispanic exile through a systematic transnational and transhistorical perspective Exile has played an essential role within Europe which is presented as a complex conglomerate of cultures and literary traditions in constant transformation and dialogue In the particular case of Hispanic exile an undeniable complexity arises throughout its history due to various political economic cultural and aesthetic factors and to the essential significance of absent figures in the formation of Hispanic culture and identity Españoles en Europa Identidad y Exilio desde la Edad Moderna a nuestros días se concentra en el fenómeno del exilio como gran identificador de tiempos modernos abordándolo sistemáticamente desde una innovadora perspectiva transnacional y transhistórica Europa se presenta como un complejo conglomerado de culturas y de tradiciones literarias en constante transformación y diálogo donde el fenómeno del exilio ha desempeñado un papel esencial En el caso particular del

exilio hispanico una clara complejidad se acenta y agudiza a lo largo de su historia debido a diversos factores politicos economicos culturales y esteticos siendo adem s innegable la influencia esencial que han tenido los ausentes en la formacion de la cultura y la identidad del pais Contributors Beatriz Calvo Mart n Carlos Yebra Lopez Cristian Crusat Dagmar Vandebosch Isabel Clara Lorda Vidal Fernando Diaz Ruiz Jorge L.
