Cuentos Negros:

Cuentos negros de Cuba Lydia Cabrera, 1989 En esta obra la autora transcribe y colecciona por puro deleite el conjunto de leyendas negras de La Habana Se trata de cuentos afro cubanos que aunque est n cundidos de fantas a no son nicamente religiosos La mayor a son f bulas de animales Otros son de personajes humanos en los cuales la mitolog a entra secundariamente El libro es un rico aporte a la literatura popular de Cuba que es blanquinegra pese a las actitudes negativas que suelen adoptarse por ignorancia o por vanidad tan absurda como rid cula

Afro-Cuban Tales Lydia Cabrera, 2004 As much a storyteller as an ethnographer Lydia Cabrera was captivated by a strange and magical new world revealed to her by her Afro Cuban friends in early twentieth century Havana In Afro Cuban Tales this world comes to teeming life introducing English speaking readers to a realm of tenuous boundaries between the natural and the supernatural deities and mortals the spiritual and the seemingly inanimate Here readers will find a vibrant imaginative record of African culture transplanted to Cuba and transformed over time a passionate and subversive alternative to the dominant Western culture of the Americas In this charmed realm of myth and legend imaginative flights and hard realities Cabrera shows us a world turned upside down In this domain guinea hens can make dour Asturians and the king of Spain dance little fat cooking pots might prepare their own meals the pope can send encyclicals about pumpkins and officials can be defeated by the shrewdness of turtles The first English translation of one of the most important writers on African culture in the Americas the collection provides a fascinating view of how African traditions myths stories and religions traveled to the New World of how in their tales Africans in the Americas created a New World all their own
