Cuentos reunidos

Cuentos Reunidos

Alfonso Alcalde, Cristián Geisse

Cuentos Reunidos:

Cuentos reunidos Amparo Dávila, 2009-01-01 En *Cuentos reunidos* Amparo Dávila galardonada con el Premio Xavier Villaurrutia en 1977 suma a su enigmática y abundante narrativa. Con los ojos abiertos libro inedito con el que reafirma ese rigor en la prosa y el cuidado de la forma atributos inseparables de su singular literatura. Casi de la mano de sus personajes los lectores realizan un viaje único especial inolvidable gracias a la prodigiosa memoria de una de escritoras más peculiares.

Cuentos completos Alfonso Alcalde, Cristián Geisse, 2024-10-01 Presentándose como la compilación más acabada de la narrativa del destacado literato del siglo XX Alfonso Alcalde el libro nos sumerge en su conocido legado escritural y en trabajos que hasta ahora fueron inéditos. El hombre que realizó poemas pícos interminables o guiones imposibles de concretar vuelve a la vida y se queda imperecedero en las páginas de una obra que respira su genialidad a través de narraciones cortas pero intensamente fieles a su estilo atestiguando su destacada categoría entre los escritores nacionales y latinoamericanos que han marcado la literatura contemporánea por su creatividad y genio. El lector podrá sorprenderse con los cuentos que publicó desde 1967 hasta 1982 reviviendo su inconfundible estilo que mezcla la dramaturgia la poesía y la prosa en las publicaciones *El auriga* *Tristán Cardenilla* *Alegría Provisoria* *El sentimiento que te di* *Las aventuras de El Salustio* y *El Tráfico*. *Epifanía cruda* y *El peregrino del golfo*. Además se suman ocho cuentos inéditos y dispersos destacando las narraciones *Cuando los ata des se hacen a la mar* *Repayaso llora* y *La cama caliente de Belén* entre otras. Cuentos

Reunidos-Antología Breve José Baroja, 2019-03-01 Estos cuentos enhebrados con el fino arte de la palabra con y exentos de barroquismos estilísticos inclinan la punta de su lanza como un arado que entra en la tierra de lo humano para labrar el surco de esta otra palabra que llamamos literaria. Nos llevan al contorno paralelo de las sombras y las luces que adquiere la entonación creativa produciendo extrañamiento sorpresa deslumbramiento estupor y asombro y sobre todo y en todo belleza. Jaime Galgani Me atrevo a afirmar que casi sin proponérselo Baroja ha dado otra vuelta de tornillo al cuento en Chile y en Latinoamérica. Lo ha dejado en un lugar que aún no tiene nombre un limbo que se acerca a la fantasía. Alfredo O Torres

Feminist Literary and Cultural Criticism Java Singh, 2022-06-19 *Feminist Literary and Cultural Criticism* explores interdisciplinary connections across Cultural Anthropology Geography Psychology and feminist literary criticism to develop a theoretical framework for spatial criticism. Using the spatial gynocritics framework developed in the book it analyzes selected texts from five different genres: short story, novel, film, cartoons, and OTT series created by women. The creators discussed in the book constitute a transnational collectivity of women that shares common concerns about gender, environment, technology, and social hierarchies. They comprise a geographically and linguistically diverse group from India, Uruguay, Spain, Argentina, and the USA. The book offers immense potential for a comparative study on numerous aspects among which the present work concentrates on the treatment of Space, demonstrating that spatial logic and grammar are essential elements of the feminist praxis. The book reveals the unexamined potential in the women creators' praxis of destabilizing, decentring, and

destroying the ascribed centres around which social arrangements are structured Moreover the book offers valuable analytic tools that add to scholarship in literary theory comparative cultural studies comparative literature gender studies feminist criticism and interdisciplinary humanities It is an indispensable aid to students and faculty in these areas of study enabling them to critique texts from a fresh perspective **Cuentos originales y traducidos** José María Roa Bárcena,1897

Donde se enseñará a ser feliz Clarice Lispector,2016-12-01 Este libro contiene algunos textos fundamentales para comprender en profundidad el legado de Clarice Lispector Seguir la impresionante entrevista que en 1976 un año antes de su muerte concedió de manera excepcional a Affonso Romano de Sant Anna y a Marina Colasanti es acercarse al misterio que ella quiso ser y plasmar con un lenguaje que va más allá de la palabra leer sus primeros cuentos su inquietante obra de teatro La pecadora quemada y los angeles armoniosos sus artísticos periodísticos o su conferencia sobre la literatura brasileña contemporánea es descubrir la verdadera esencia de sus trabajos mayores Como un rompecabezas que no está acabado sin todas sus piezas el incomparable universo de la autora brasileña se revela y se completa a la luz de estos escritos

Adivinar en la carne la verdad. Goce y escritura en la obra de Clarice Lispector Belén del Rocío Moreno Cardozo,2010-01-01 La escritura de Lispector siempre inquisitiva tiene la peste de las preguntas bien formuladas sus personajes no cesan de espetarle al lector aquellas preguntas que él por miedo o desidia hubiera preferido omitir Pero a esas preguntas ella no contesta con respuestas contesta con revelaciones epifanías que al mismo tiempo dicen y conservan la dureza del enigma La obra de Lispector deja testimonio de una voluntad feroz para encontrar en medio de la lengua y en su límite el material literal para cernir lo Real de la Vida del goce del amor del asesinato y de la muerte misma Esa es la sustancia cierta y material de este encuentro Para comenzar el lector encontrará en este libro algunas consideraciones metodológicas en el acercamiento del psicoanálisis a la literatura Estas preguntas insisten sobre un asunto ya planteado por Freud los artistas siempre han anticipado Luego entrar en La cosa criminal para discernir siempre con Lispector la elusiva maquinaria del paso al acto Enseguida hallar en El bestiario del goce la proliferante presencia de los animales en la obra de esta autora Podrá ponderar la justa medida para el exilio del goce en que habita este animal lenguaje del cual son Un paso más y con La vida en el germen estar ante el núcleo real que palpita tras la cambiante figura del animal la vida en su anodante persistencia Para terminar y sin una conclusión posible llegar a puerto desconocido con El acto más desamparado el acto de escribir cuando no hay guía conocida
