Crow Talk Eileen Garvin, 2025-04-29 Nationally bestselling author of *The Music of Bees* Eileen Garvin returns with a moving story of hope healing and unexpected friendship set amidst the wild natural beauty of the Pacific Northwest

Frankie O'Neill and Anne Ryan would seem to have nothing in common Frankie is a lonely ornithologist struggling to salvage her dissertation on the spotted owl following a rift with her advisor Anne is an Irish musician far from home and family raising her five year old son Aiden who refuses to speak

At Beauty Bay a community of summer homes nestled on the shores of June Lake in the remote foothills of Mount Adams it's off season with most houses shuttered for the fall But Frankie adrift returns to the rundown caretaker's cottage that has been in the hardworking O'Neill family for generations a beloved place and a constant reminder of the family she has lost

And Anne in the wake of a tragedy that has disrupted her career and silenced her music has fled to the neighboring house a showy summer home owned by her husband's wealthy family

When Frankie finds an injured baby crow in the forest little does she realize that the charming bird will bring all three lost souls Frankie Anne and Aiden together on a journey toward hope healing and rediscovering joy

Crow Talk is an achingly beautiful story of love grief friendship and the healing power of nature in the darkest of times

**The Indian and the Immigrant** Kenny Eagle, 2024-05-13 Sheffy the immigrant was falsely accused of murder causing him to run for his life and end up in Indian territory Through an act of fate he became friends with an Indian brave called Good Crow He knew he needed to look for another town with a railroad

station so he could return to New York where he came from His friend Good Crow offered to guide him not knowing that a bounty hunter was looking for them They finally found a railroad station in another town After saying their goodbyes Good Crow began making the journey back to the nations when a bounty hunter spotted him and killed him When Sheffy heard the shot off in the distance he decided to go back up the trail and check on him He found him dead Just then he outstepped the bounty hunter with his gun pointed at him By a twist of fate Sheffy overtook and killed him After returning to the tribe with the body of Good Crow Sheffy s spirit was broken Knowing his fate he decided to go back to Brentwood and turn himself in But he had no idea that his Indian friends were planning to sneak in the night and replace the rope with a little longer one so his feet could break the fall and fray the end so it would break in an attempt to save his life However at the last minute while he was on the platform the true killer signed an affidavit admitting that he was the real killer The sheriff tried to stop the hanging but depressed and with nothing to live for Sheffy jumped anyway The rope was replaced but not quite long enough but it did break part of the fall and the frayed end broke as well Sheffy s neck was cracked but not enough to break the spine However it did paralyze him making him appear to be dead An Indian named Looking Glass saw a slight twitch of a finger and told the medicine man Without drawing attention they used one of Looking Glass s mirrors from his necklace and cupped their hands with it They saw a slight fog from his nose The sheriff let them claim the body because he knew they were Sheffy s only friends The Indians took his body back with them knowing there was probably no chance for him to survive
