Embers of Awakening Lena Blackwood,2024-11-11 Embers of Awakening Echoes of Light and Shadow In a world where the line between light and darkness is a fragile whisper young Eve finds herself marked by an ancient power a flame that stirs within her neither gift nor curse but a force bound to change her forever Her peaceful life in the village of Mirehollow is shattered when soldiers raid her home seeking the very magic she barely understands Alone and hunted Eve flees into the depths of a mysterious forest where legends and reality intertwine and shadows seem to watch her every step Guided by the enigmatic warrior Lyra and a cloaked man with secrets of his own Eve must navigate trials set by the ancient spirits of the Forgotten Hills trials meant to test not only her strength but the truth within her heart As whispers of prophecy and destiny echo around her Eve discovers she is not just a girl she is the Flamebearer a bridge between the past and an uncertain future But as Eve learns the flame s light also draws its own shadows and somewhere in those depths lies Raymond the feared ruler whose dark influence seeps through every corner of her world With themes of loyalty loss and resilience Embers of Awakening invites readers on an epic journey where magic is as treacherous as it is beautiful and courage is found in the most unlikely places Will Eve s light be enough to hold back the darkness or will she be consumed by the very flame she carries Please Note The PDF version of Embers of Awakening displays 202 pages reflecting its fixed layout The adaptable EPUB version adjusts to your device The estimated print length is approximately 325 pages **The Conceited Crown**
