Ctb Intro Learning Teaching Infants Thru Elementary Age Chld:

Early Childhood Assessment in School and Clinical Child Psychology Adrienne Garro, 2016-09-27 This book presents an integrated and coordinated framework for assessing developmental psychological and behavioral disorders in early childhood. Expert contributors advocate for natural environment methods in addition to standardized measures in assessing academic and social skills as well as age specific behavior problems in young children. Chapters model collaborations between clinicians, family and daycare and school personnel address diagnostic and classification issues and conceptualize assessment as flexible, ongoing and as necessary leading to coordinated services. The book gives practitioners and researchers critical tools toward establishing best practices in an increasingly complex and important area leading to better prevention and intervention outcomes. Included in the coverage: Standardized assessment of cognitive development, Authentic and performance based assessment, The use of Response to Intervention (RTI) in early childhood, Collaboration in school and child care settings, Anxiety disorders, PTSD, OCD and depression in young children, Sleeping, feeding, eating and attachment problems in early childhood. **Early Childhood Assessment in School and Clinical Child Psychology** is an essential resource for clinicians and related professionals, researchers and graduate students in child and school psychology, assessment, testing and evaluation, occupational therapy, family studies, educational psychology and speech pathology.
