The Art of Writing Peter Yang,2019-12-01 Rediscover the lost art of excellent writing a valuable skill through the ages and even more so in the twenty first century Since the invention of writing the written word has fueled humanity s astonishing progress Thus the ability to write effectively and beautifully has long been revered and rewarded And yet in the digital age people have begun to believe that this talent is somehow obsolete that writing is something unworthy of study beyond the basic mechanics of vocabulary and syntax and grammar that mediocre prose is acceptable in a world crying out for clear and precise communication Peter Yang believes otherwise [The Art of Writing](#) is Yang s highly practical treatise on the four key principles of dazzling effective writing economy transparency variety and harmony Far from your garden variety style guide this book offers principles that apply to everyone whether you re writing an inauguration speech a novel or a letter home to Mom Great writing is a skill and this book gives you the tools to make your words shimmer on the page or the screen Packed with real world insights and advice [The Art of Writing](#) is your ultimate guide to transforming your writing and unleashing your inner artist

The Art of Writing George Randolph Chester,1910 [The Art of Fiction](#) John Gardner,1991-06-04 This classic guide from the renowned novelist and professor has helped transform generations of aspiring writers into masterful writers and will continue to do so for many years to come John Gardner was almost as famous as a teacher of creative writing as he was for his own works In this practical instructive handbook based on the courses and seminars that he gave he explains simply and cogently the principles and techniques of good writing Gardner s lessons exemplified with detailed excerpts from classic works of literature sweep across a complete range of topics from the nature of aesthetics to the shape of a refined sentence Written with passion precision and a deep respect for the art of writing Gardner s book serves by turns as a critic mentor and friend Anyone who has ever thought of taking the step from reader to writer should begin here

Why Write? Mark Edmundson,2016-08-30 From one of America s great professors author of [Why Teach](#) and [Why Read](#) an inspiring exploration of the importance of writing well for creators educators students and anyone who writes Why write Why write when it sometimes feels that so few people really read read as if their lives might be changed by what they re reading Why write when the world wants to be informed not enlightened to

be entertained not inspired Writing is backbreaking mindbreaking lonely work So why Because writing as celebrated professor Mark Edmundson explains is one of the greatest human goods Real writing can do what critic R P Blackmur said it could add to the stock of available reality Writing teaches us to think it can bring our minds to birth And once we re at home with words there are few more pleasurable human activities than writing Because this is something he believes everyone ought to know Edmundson offers us Why Write essential reading both practical and inspiring for anyone who yearns to be a writer anyone who simply needs to know how to get an idea across and anyone in between in short everyone

The Art of Writing Photoplays Henry Albert Phillips,1922 **The Art of Writing Made Simple** Geoffrey Ashe,1972 **The Lively Art of Writing** Lucile Vaughan Payne,1982 **Writing with Style** John R. Trimble,2000 Writing with Style demonstrates that writing is really applied psychology since it is essentially the art of creating desired effects Provides an explanation of what effects are desirable and how to create them Provides new insight into how to generate interesting ideas and get them down on paper how to write a critical analysis how to write a crisp opener how to invigorate a banal style how to punctuate with confidence how to handle various conventions and much more

The Art of Writing Edward J Murray,2015-09-02 Knowing how to write clear prose will help both the student and the adult who wants to try his hand to perform at a higher level Its been proven time and time again One of the advantages of The Art Writing presented here is its brevity of presentation The author knows how to say an awful lot with a few words Its a skill that most writers of instruction simply do not have Despite the concise nature of the book it covers all the relevant topics for anyone who wants to sharpen his facility and confidence with the written word Some of the more general topics include the diversity of sentence structure lots of tips on the possessives the slashes and the italics Diction the colloquial and language in general are emphasized The language of art is given special treatment along with plot drama idiom and metaphor The mainstream novel is given special treatment along with the 12 literary movements of the 20th century And last but not least some keyboard tips for the novice

The Art of Writing Tony Barnstone,Chou Ping,1996-06-25 The ancient Chinese regarded the written word as a transformative force able to move heaven and earth and unite the reader with the source of all things the Tao The power of writing especially poetry is celebrated here in short texts that present both practical instruction and spiritual insight Lu Ji s essay in verse The Art of Writing reveals the inner process every writer must go through in preparing for the creative act Sikong Tu s Twenty four Styles of Poetry teaches that poets must perfect themselves internally in order to achieve perfection in what they write Poets Jade Splinters contains aphoristic prescriptions and humorous anecdotes about poetry poets and the rules of composition Assorted commentaries and critical evaluations focus on Chinese lyrical poetry
