Art Works Place:

Frameworks, Artworks, Place Timothy J. Mehigan, 2008 How space mental emotional visual is implicated in our constructions of reality and our art is the focus of this set of innovative essays For the first time art theorists and historians visual artists literary critics and philosophers have come together to assay the problem of space both within conventional discipline boundaries and across them What emerges is a stimulating discussion of the problem of embodied space and situated consciousness that will be of interest to the general reader as well as specialists working in the fields of art history and art practice literature philosophy and education
