Art In The School:

Art Teaching George Szekely, Julie Alsip Bucknam, 2013-06-17 Art Teaching speaks to a new generation of art teachers in a changing society and fresh art world Comprehensive and up to date it presents fundamental theories principles creative approaches and resources for art teaching in elementary through middle school Key sections focus on how children make art why they make art the unique qualities of children s art and how artistic development can be encouraged in school and at home Important aspects of curriculum development integration evaluation art room management and professional development are covered A wide range of art media with sample art activities is included Taking the reader to the heart of the classroom this practical guide describes the realities challenges and joys of teaching art discusses the art room as a zone for creativity and illustrates how to navigate in a school setting in order to create rich art experiences for students Many textbooks provide information this book also provides inspiration Future and practicing teachers are challenged to think about every aspect of art teaching and to begin formulating independent views and opinions

Art Is Fundamental Eileen S. Prince, 2008-07-01 This comprehensive art curriculum can easily be integrated into any teacher s existing instruction and provides thrilling and rewarding projects for elementary art students including printmaking techniques tessellations watercolors calligraphic lines organic form sculptures and value collages Detailed lessons developed and tested in classrooms over many years build on one another in a logical progression and explore the elements of texture color shape line form and value and principles such as balance formal informal and radial unity contrast movement distortion emphasis pattern and rhythm Each lesson also represents an interdisciplinary approach that improves general vocabulary and supports science math social studies and language arts Though written for elementary school teachers it can be easily condensed and adapted for middle or even high school students A beautiful eight page color insert demonstrates just how sophisticated young children s art can be when kids are given the opportunity to develop their skills

101 Things to Learn in Art School Kit White, 2011-08-19 Lessons demonstrations definitions and tips on what to expect in art school what it means to make art and how to think like an artist What is the first thing to learn in art school Art can be anything The second thing Learn to draw With 101 Things to Learn in Art School artist and teacher Kit White delivers and develops such lessons striking an instructive balance between technical advice and sage concepts These 101 maxims meditations and demonstrations offer both a toolkit of ideas for the art student and a set of guiding principles for the artist Complementing each of the 101 succinct texts is an equally expressive drawing by the artist often based on a historical or contemporary work of art offering a visual correlative to the written thought Art can be anything is illustrated by a drawing of Duchamp s famous urinal a description of chiaroscuro art is illuminated by an image after Caravaggio a lesson on time and media is accompanied by a view of a Jenny Holzer projection advice about surviving a critique gains resonance from Piero della Francesca s arrow pierced Saint Sebastian 101 Things to Learn in Art School offers advice about the issues artists confront across all artistic

media but this is no simple handbook to making art It is a guide to understanding art as a description of the world we live in and it is a guide to using art as a medium for thought And so this book belongs on the reading list of art students art teachers and artists but it also belongs in the library of everyone who cares about art as a way of understanding life **Art in**
