The DVD won six awards at international film festivals and played to SRO crowds at the Cannes Film Festival. For more than a million readers *The Art of Sensual Massage* is more than a book; it's an unforgettable sensual experience. Techniques are beautifully illustrated with hundreds of gorgeous black and white photos. Rare color photos taken during the book's original photo sessions have been added to this edition. Instructions are easy to learn. The DVD tracks the book stroke by stroke. Ten minutes after you open this set you will be doing a sensual massage. This updated edition of the book features superior paper and photo reproduction plus many text updates.

From the book: In a world full of expensive gadgets futilely designed to increase enjoyment of life, it is enormously satisfying to realize that you can give so much pleasure just using your hands.

The Art of Sensual Massage Marcus Salnicki, 1999. Lightly dancing fingertips skimming over the skin. Strong forearms pressing firmly into the flesh. Caring, trusting hands and a teasing tongue; they all play a part in a sensual, loving massage. Communicate your feelings of desire and caring with this intimate and erotic act. Warm up the most luxurious massage oil you can find; an aromatherapy chart will help you choose and let the pleasure begin. Learn how to set the scene with the right lighting, temperature, and sound. Master the strokes that will leave your partner sighing with ecstasy. Work each area of the body from the top of the head to the tips of the toes; give that something special to him or to her. Separate sections explain what's just right for pampering your special partner; try different textures and sensations. With massage techniques from around the world, you'll be able to come up with something new and exciting every time.
