Can Your Relationship Be Saved? Michael S. Broder, 2002 The title of this book captures one of the most commonly explored issues that I have dealt with in my office over the past three decades as a practicing clinical psychologist Thus begins Dr Broder's wise and compassionate guide to assessing a faltering love relationship and answering the fundamental question asked by the book's title Broder addresses individuals and couples in marriages or any other type of love relationship or romance long or short term and of any sexual orientation His 40 item Can Your Relationship Be Saved Inventory asks the right questions But readers are not left there The chapters that follow gently guide them in exploration of what is likely to happen if What if I go What if I stay Readers will find direction in answering those questions for themselves and the information and strategies to help them act on their decisions Can Your Relationship Be Saved speaks in a warm unabashedly upbeat and optimistic manner directly to the painful ambivalence that results when you are unable to determine how you really feel Broder's guidance is packed with practical road maps and direction finders avoiding glibness clichés platitudes or someone else's value judgments that will rarely hold up for you in the end *Living Single After the Sexual Revolution* Michael S. Broder, Edward Claflin, 1988 The deep uncertainties singles commonly experience are readily resolved through use of Broder's techniques for making life a series of choices not chances in today's new social climate The Art of Living Single Michael S. Broder, 1994 *Putting Life in Check* LeJuana Searcy, Chrisshone Swayne, 2009-04 There are countless people today who are carrying out normal day to day activities with a pulse but they have literally checked out on life The check out is so severe often times there is a numbing effect towards life and happiness is a distant memory What happens when you are walking talking and going through the motions with no sense of real purpose You might feel as if you are doing what you need to do in order to survive but are you truly living Putting Life in Check will give you the confidence to live a life of excellence that God intended for each and every one of us to live in the midst of challenges Putting Life in Check offers new channels of inspiration that will amplify you to thrive and steer your heart towards the positive state it was designed to function in The compelling poetry stories and testimonies in this book will captivate you with realistic words of

peace survival and resilience When life is hitting you from all sides there must be key strategies in place that will allow you to balance the weight of life effectively Putting Life in Check will encourage you to achieve a new way of thinking and living Are you ready to clear the heavy debt life has dropped in your lap and deposit joy into your future Bestselling Authors Le Juana Searcy and Chrisshone Swayne will take you on a journey that will build your character and help you evaluate where you are today knowing it s not where you have to stay which in essence is the first step to Putting Life in Check
