

# PROS AND CONS OF INDEX FUNDS

Each index fund has a fund manager. It's the fund manager's job to update the fund's holdings to track the index changes.

- Easy to manage
- Relatively low risk
- Diversification
- Low expense ratio
- Tax-efficient

- Can't outperform the market
- No loss protection
- Lack of flexibility

*You Can Do It!* Donald H. Young, 2008-12 A seasoned executive with four decades of experience in the institutional investment management business Donald H Young observes that most people are not happy with the financial security that they have achieved so far They seem to be paralyzed into doing nothing because of the overwhelming amount of information available to them Filling a critical need that hasn't been adequately addressed with the bewildering array of both general and very specific books on achieving financial security *You Can Do It* provides an educational background and then a step by step comprehensive analysis to help you achieve your financial objectives including Outlining key concepts Setting objectives Constructing balance sheets Managing cash flow Preparing budgets Buying appropriate insurance Planning for retirement Creating necessary documents for managing personal affairs Presented in an easy to understand manner *You Can Do It* should be read as a whole not as individual chapters Key exhibits and a summary at the end of each chapter which Young calls the Bottom Line facilitate the understanding process The only requirements for success are personal involvement and commitment on your part After reading and implementing the recommendations of Young you will have created a level of financial security to enable you to achieve your financial objectives
