Freelance Web Developer 101 HowExpert, Liz Kazandzhy, 2019-04-12. You probably use websites every day, but have you ever thought about building them? With the help of this book, now you can. In this exceptional step-by-step guide, you'll learn what web development is all about, which resources will help you master it, and how you can build stunning and interactive websites. After instructing you on how to create your own personal web portfolio, the author will take you through all the major web development languages and technologies, including the following: HTML, CSS, JavaScript, Bootstrap, and jQuery, PHP, and MySQL, WordPress. Each of these chapters contains best practices and tips for success, as well as a "Show Your Skills" section with practical and fun project ideas for you to apply what you're learning. For example, "Write a JavaScript program that will run the game Chutes and Ladders thousands of times and determine the minimum, maximum, and average number of turns to win." Lastly, you'll find out how to transform your newfound hobby into a profitable career by becoming a freelance web developer. The author will share tips for perfecting your portfolio and finding clients, especially through the popular freelancing website Upwork. If you've ever been curious about web development but didn't know where to start, this book is for you. Come and embrace both your creativity and logic by delving into the wonderful world of web development.

About the Expert: Liz Kazandzhy is a passionate web developer who also greatly enjoys writing and editing. As the daughter of a software engineer, she has always had a knack for technology, so when she stumbled upon web development in 2016, it was love at first keystroke. She studied it voraciously and began building websites related to her personal interests, like RandomScriptureVerse.com. In time, she started branching out and building websites for others, like JonathanWhitlockArt.com. Liz currently lives in Orem, UT, with her husband Vlad and two energetic young daughters, Katya and Sophia. In the rare moments when the kids are asleep and the housework is done, she enjoys reading, writing, and developing websites.

This is your **Smart Start**. **Start a Freelance Business Today**, Jerry Banfield, 2016-07-03. You can learn to work successfully as a freelancer online using WordPress, YouTube, Upwork, and Fiverr the way I do by reading this book. Freelancing online is the best thing that has ever happened to my career because I now have the freedom to work anywhere and anytime using my WordPress website, YouTube channel, Upwork profile, and Fiverr gigs. You can use this book to build a complete system that works for you today to get started and advance your work as a freelancer online based on what is working for me today. If you want to get an hourly job, you can work online that pays more than what you are doing right now; you might find the Upwork section of the course very helpful. If you immediately want to have something to show for your work online, you might enjoy learning how you can make your first 20 fast using Fiverr gigs. If you want a business system where clients find you and all you have to do is show what you do on your website and on YouTube, the WordPress and YouTube sections will powerfully combine for you.

the way they do for me If you are hiring freelancers to grow your business online or you are serving clients now you can use this book to build a system for quickly hiring freelancers to help you I have hired hundreds of people on Upwork and spent 5 000 on Fiverr buying gigs to allow me to spend more time doing the most valuable work I have managed hundreds of clients and learned the hard way what works and what does not work to scale a freelancing business online Thank you very much for your interest in learning to start a freelance business with me today and I hope to see you in the book soon
