P.S. You're a Genius Kelly Trach, 2021-11-30 Do you feel like you re doing it all and it s still not enough Discover your shortcut to success in P S You re A Genius After a lifetime of overachieving aiming to be excellent at everything and three failed tech startups in Silicon Valley Kelly Trach was stirred by a simple question What if I just did what I m good at Now a six figure business coach Kelly poses the same question to you What if you just did what you re good at Despite conventional wisdom the gifts and experience you need are already innate Having that it factor or special ingredient isn t as elusive as you may think P S You re a Genius takes you on a self reflective journey to find your own gifts especially when you don t feel gifted at all asking questions like How are your idols a reflection of your own genius What are you great at that nobody taught you how to do How is your darkest shadow your greatest gift What have you been unexpectedly criticized for Through these questions and more you ll uncover the ways you naturally excel relinquish the lie

that you're not good enough and discover how to convincingly convey your value to anyone. In the process you'll unlock the gumption to go after what you really want and ditch the mindset blocks holding you back because YOU have an inherent genius. You just have to find it.

Digital Transformation of Identity in the Age of Artificial Intelligence

Kazuhiko Shibuya, 2020-02-19. This book examines the digital transformation of identity in the age of artificial intelligence. It articulates the nature of identity of human beings based on cutting edge knowledge in the field of AI and big data sciences and discusses identity by drawing on comprehensive investigations in digital social sciences and exploring wider disciplines related to philosophy, ethics, sociology, STS, computer sciences, engineering, and medical sciences. Reviewing contemporary conditions proliferated by advanced technological trends and unveiling social mechanisms of human identity, this book appeals to undergraduate and graduate students as well as academic researchers.
