Absent Father:

The Absent Father Corey Carolina, 2016-05-25 The Absent Father is a book about the personal story of Corey Carolina a Tulsa OK native The book follows his relationship or lack thereof with his father when he was younger and how their relationship has improved over the past few years Corey shares the emotional and sad events that transpired in his youth and early adulthood He also inspires readers by showing them that just because a person does not have an active father does not mean that that person cannot be successful Single mothers children and adults of absent fathers young men and women are the focuses of The Absent Father Corey also discusses how he was driven to be successful due to his village of great people who assisted in raising him and his brother His mother is his main inspiration in his life She is an entrepreneur who worked 12 16 hour days as a cosmetologist in order to raise him and his brother Corey was forced to be the man of the household at a young age He felt that it was a privilege to help take care of his younger brother while his mother worked Corey started writing his book 8 years ago and now his life has come full circle He now has fathered his own children with his wife Qianna He takes his experiences with his absent father into account when ensuring that he is an active participant in his children's life Corey has vowed not to be an absent father and to educate others on the importance of being in the lives of their children

The Absent Father Ludlow Haynes, 2024-04-26 Fathers play a pivotal role in the upbringing and development of their children As fathers they are responsible for loving protecting and providing for their children and raising guiding and positively influencing them Unfortunately many fathers leave their wives and children exposing them to many traumatic experiences In this exciting new book the author reveals why so many fathers leave the struggles and trauma that affected family members have to go through how to heal the wounds of an absent father and strategies for reconnection Whether as a father single mother or an abandoned child the insight shared in this book will completely transform your life **Where's**

Daddy? E. M. Makins, 2016-08-04 Are you a single parent Does your child ask about why their other parent doesn't visit them Is your ex partner absent in your children's life If so your child will enjoy reading this book about a young girl named Mary who experiences issues with her absent father In the story her mother explains to her why her father is absent and what she can expect from him in the future **Absent Father/Lost Generation** Jonathan C. Stafford, 2015-04-21 In his book Absent

Father Lost Generation Jonathan Stafford not only reiterates the fact that fatherlessness is an epidemic in America but he also offers up practical solutions to problems that may occur as a result of dear old dad being absent Not only that but this book was also written as a wake up call for men all over the world to rise up and make your presence felt in the lives of your sons Truth of the matter is if we continue to be absent our sons will continue to be lost *Death, Hope and Sex* James S.

Chisholm, 1999-09-02 Fascinating and controversial examination of how evolutionary theory sheds light on human nature using reproductive issues as a focus

When Is Daddy Coming? Ofelia Perez, 2016-08-05 Fatherhood is by nature the basis of every relationship with males in a person's life For boys a father is the hero through whom they learn about manhood For

girls a father is the model of man they are going to look up to when they choose a husband Too often many children deal with the problem of absentee fathers and a lack of suitable role models In *When is Daddy Coming* author Ofelia Perez shares how parents can help their children and break the cycle of fatherlessness She discusses the social and individual roots of the problem offers useful and down to earth forms of avoiding and solving for everyone dads married moms and dads and divorced couples conveys the message of dealing with the situation individually but asserts there is responsibility of the church and judicial system and aims to help fathers feel proud of being fathers and helps mothers to take steps for balance *When is Daddy Coming* maintains that men must take charge of fatherhood with all its rewards and responsibilities They must train themselves and make themselves savvy about the matter so families can be saved *The Unavailable Father* Sarah S. Rosenthal,2010-04-06 Strategies for overcoming a damaged father daughter relationship Problems between fathers and daughters can damage a young girl s identity convince her she s unloveable or without worth and send her into unhealthy adult relationships This groundbreaking book includes in depth stories and case histories of a broad spectrum of women over 25 who have recovered and flourished in their professional and personal lives despite the lack of a father s recognition and affection While the legacy of pain that these fathers leave is deep there is much that can be done to alleviate and even conquer it Using these women s stories as well as her insights from her private practice the author outlines basic strategies to overcome the void left by an abusive absent alcoholic mentally ill irresponsible selfish or unloving father Written by Sarah Simms Rosenthal who has a thriving practice in New York City Reveals how to understand the truth about your childhood Includes strategies for discovering and analyzing past adult relationship mistakes both personal and professional Offers successful techniques for establishing new patterns of behavior The women whose stories are told in *The Unavailable Father* have learned to recognize and change the patterns instigated by their dysfunctional fathers and have moved forward fulfilled *The Father Effect* John Finch,2017-10-24 Based on the feature film of the same name *The Father Effect* is a must read for the millions of men and women who have lost their fathers through divorce death or disinterest John Finch always struggled after his father committed suicide when he was eleven but it wasn t until he was raising his own three daughters that he truly understood their futures relied on his coming to terms with his difficult past To move forward he needed to forgive both his father for choosing to leave and himself for not being the best father he could be This journey led to *The Father Effect* a book containing practical help for anyone man or woman with a deep father wound from losing a dad through divorce death or disinterest Through positive lessons on forgiveness and approachable advice on how to change your legacy as a parent partner and person *The Father Effect* is the ultimate healing tool for anyone who has suffered the absence of a dad *Absent Fathers* Jody Adewale,2014-04-27 A significant amount of research has been done on families and their dynamics There has been an emphasis on the effects of parental absence in much of today s research This book discusses the specific phenomenon of paternal absence in a male s life and in particular the male s own perception of the role their father s

absence played in the male's life. The study gathered the ideas and understandings of nine male participants regarding each of their fathers and examined the individual male's thoughts and feelings regarding their father in a qualitative manner. It addresses how such perceptions were developed and how they currently manifest with the attempt to focus on individual understandings of their father's absence. As a result of each individual examination, the following questions were raised: how does a child's positive, negative, or neutral perception of an absent father develop, and is such perception relevant to the manner or reason for their father's absence? The findings included an emphasis on the importance of perception rather than situation. It suggests clinical implications for individuals who were raised without a father, such as exploration of feelings, perception of their father, working on changing faulty perceptions, and identifying defenses that are used to cope.

Characteristics and Financial Circumstances of Families Receiving Aid to Dependent Children, Late 1958 Gladys Opal White, Robert Herman Muggge, Saul Kaplan, 1941 *Absent Fathers?* Jonathan Bradshaw, 1999. Discusses the social implications of absentee fathers. Provides a text for undergraduates in social policy and should also be important for professionals concerned with family breakdown and child support. **My Father's Keeper** Victor Coleman, 2019-05-18. Fatherlessness has reached epidemic levels in the United States. Children without fathers are more likely to perform poorly in school, to be members of gangs, to be incarcerated, and to suffer a long list of other adverse effects. Unfortunately, the adverse effects don't stop at childhood; they carry on into adulthood. Men who grew up without fathers typically have difficulty processing the emotional scars created during their childhood. As a result, many of the wounds of fatherlessness carry on to the next generation. The purpose of this book is to help men Biblically address the ill effects of fatherlessness and the residue that's left long after they enter adulthood. This is done through the story of the relationship between my father and me. My father was absent much of my life, even before my parents divorced. Little did I know that one day I would become my father's caretaker. At the end of each chapter, there is a one-page personal Bible study section to address some of the topics covered in the chapter. I will warn you now: some of the questions and scriptures may be probing and hit home, addressing some feelings you may have buried years ago. But that's okay; God's word is designed to penetrate the heart. It is in the heart where the Holy Spirit begins His healing process. *Public Assistance Report*, 1957 **The Legacy of Absence** Tim Olson, 2020-02-28. Imagine a son or daughter who realizes dad has chosen work, sports, or other addictions instead of them. This is abandonment, and the consequences will leave a negative, life-long legacy. But there is a solution. It's not an easy road, but it's not impassable. *The Legacy of Absence* explores the ways in which involvement and reconciliation can heal the wounds created by a distant father and turn even a physically absent father into one who is involved with all aspects of his child's life. Author Tim Olson has spent 53 years as a teacher, principal, pastor, and life coach, studying, observing, and researching family relationships and father-child dynamics. He will help readers discover the sources of anger, not just how to manage it, the 4 types of fathers, how a home without an involved father typically results in poorer education, health, financial

security and many more affecting the spouse and children that real masculinity is not what society says it is how good or bad fathering is learned primarily by observing our own fathers what the father wound is and how everyone who has a father gets it the sources of identity transference and misogyny An uninvolved father may not have chosen his child but it is never too late for change The Legacy of Absence can help [Journal of the Senate, Legislature of the State of California](#) California. Legislature. Senate, 1942 [Longing for Daddy](#) Monique Robinson, 2009-01-20 Where Was Daddy When You Needed Him The absence of fathers is an epidemic plaguing our society affecting families from every corner of our world and from all walks of life Whether our fathers left us entirely during our childhood or were physically present but emotionally distant those who missed out on an affirming intimate father love continue to experience the devastating consequences of that loss Are you angry at the world and don't know why Do you inadvertently sabotage relationships or smother those closest to you Do you rarely take risks or step out on faith Is there an undercurrent of anxiety in most tasks you perform Do you struggle to connect with God Do you have little or no self confidence or minimal self worth For women who answer yes to these questions the common denominator is often an absent father Far too many daughters have been stripped of a healthy relationship with their earthly dad But real healing is within your reach Discover how the absence of your father has impacted your entire life your attitude your actions your beliefs your decisions and your identity and learn how you can stop resulting negative behaviors break free and experience a confidence building empowering love that will heal your hurts and fulfill your deepest longings **The Social Service Review** Edith Abbott, Sophonisba Preston Breckinridge, 1960 Includes sections Book reviews and Public documents *The Myth of the Absentee Father* Marcos R. Wise, 2017-12-26 The Myth of the Absentee Father By Marcos R Wise The Myth of the Absentee Father portrays the author's experiences with what he feels was an unfair family court system for non custodial fathers Marcos R Wise wants fathers who are encountering the same obstacles to be involved in their children's lives to know they are not alone He hopes readers support and understand his view that this system needs an overhaul and subsequently begin a conversation about how things should change *The Southern Reporter*, 1921 **The Works of William Makepeace Thackeray** William Makepeace Thackeray, 1879
