Deeb,2003-07-03 This study demonstrates that Syria s role in the Middle East has been since 1974 an unabated terrorist war against all attempts to resolve peacefully the Arab Israeli conflict Marius Deeb provides evidence that Syria s role in Lebanon since 1975 has been to perpetuate the conflict among the various Lebanese communities in order to keep its domination of Lebanon **Night of Power: The Betrayal of the Middle East** Robert Fisk,2024-07-04 ROBERT FISK HAS BEEN REPORTING FROM THE MIDDLE EAST WITH INCOMPARABLE DEPTH AND UNDERSTANDING AND EXTRAORDINARY COURAGE NOAM CHOMSKY In this final work from renowned journalist Robert Fisk he picks up reporting on the Middle East where his internationally bestselling The Great War of Civilisation left off **Anti-american Terrorism: From Eisenhower To Trump - A Chronicle Of The Threat And Response: Volume Ii: The Reagan And George H.w. Bush Administrations** Dennis A Pluchinsky,2020-06-18 Volume I examined the policies and actions in the Eisenhower Kennedy and Johnson administrations that contributed to the creation of anti American grievances which in turn fueled the rise of anti American terrorism overseas and domestically during the Nixon Ford and Carter administrations Volume II chronicles the high water mark of anti American terrorism overseas that occurred during the Reagan administration The litany of terrorist attacks on US targets overseas during this period is well known and unmatched in American history 1983 suicide attack on US Embassy Beirut 1983 suicide attack on US Marine Barracks Beirut 1983 suicide attack on US Embassy Kuwait 1984 suicide attack on US Embassy Beirut 1985 assault on the TWA counter at Rome airport 1985 hijacking of TWA 847 1986 mid air bombing of TWA 840 1988 mid air bombing of Pan Am 103 and the 1982 1988 kidnappings of 18 Americans in Lebanon This wave of anti American terrorist attacks demanded an appropriate response The Reagan administration proceeded to construct the most ambitious and costly counter terrorism program in the pre 9 11 era Although the terrorist threat was perceived to be in decline during the George H W Bush administration it still had to deal with the potential terrorist threat emanating from the first Gulf War in 1990 1991 two assassination attempts on the president and the ramifications of the Pan Am 103 bombing **Guns, Death, Terror** Jack Sargeant,2003 Cultural Writing Looking back to the first high profile plane hijackings car bombings kidnappings and assassinations of the 1960 s and 70 s this book is the first single volume to explore and contextualize the roots of modern terrorism From the Baaer Meinhof gang of Germany to the Red Army of Japan the SLA and the Black Panthers of North America GUNS DEATH TERROR covers all these groups and is illustrated with rare photographs and original terror manifestoes making it a timely and essential study of international terrorism **Justice**

[Watching the Jackals](#) Daniela Richterova, 2025 *Watching the Jackals* is about the untold history of Czechoslovakia's complex relationship with Middle Eastern terrorists and revolutionaries during the closing decades of the Cold War Based on recently declassified intelligence files Daniela Richterova tells the story of Prague's engagement with various factions of the Palestine Liberation Organization as well as some of the era's most infamous terrorists including Carlos the Jackal Munich Olympics massacre commander Abu Daoud and the Abu Nidal Organization In the 1970s and 1980s Prague became a favorite destination for these controversial individuals who appeared there to seek refuge enjoy recreation or hold secret meetings aimed at securing training arms and other forms of support Richterova explains why terrorists and revolutionaries had long gravitated towards Prague why Prague was interested in them but also why in some cases Czechoslovakia's powerful security and intelligence apparatus the StB Státní bezpečnost was wary or even fearful of these unpredictable groups Through research in the unusually thorough and transparent records from the former Czechoslovakia Richterova offers readers a fascinating history of how states use their spies to pursue covert policies with violent non state actors The book also introduces new evidence and nuance into old debates about whether or not the Communist Bloc supported terrorism

The Deadly Embrace Ilana Kass, Bard E. O'Neill, 1997 The purpose of this book is three fold First drawing on a wide array of primary and secondary sources it aims to compare and contrast the historical roots goals strategies organizational structures and current activities of Palestinian and Israeli opponents of any mutual compromise Second the book assesses the dynamic interaction of two rejectionist movements espousing mutually exclusive political agendas and demonstrates how they feed off and reinforce each others enmities Third the book seeks to expose to public scrutiny a deeply entrenched phenomenon that has continued to lurk in the shadows while enjoying both tacit and direct support from segments within the American Arab and Jewish communities Although such recent outrages as the Hebron massacre the Rabin assassination and the spate of suicide bombings in Israel's cities have re centered attention on Middle Eastern terrorism the primary focus has been on lone actions of deranged individuals In contrast the authors contend that what we have witnessed thus far is merely the tip of the iceberg overt manifestations of a deep seated festering problem namely increasingly militant insurgent movements united in their near term aim of destroying the peace process but ultimately sworn to destroy each other The book concludes with a set of policy choices and recommendations which the U S Israel and the Palestinian National Authority should pursue in tandem to marginalize the rejectionist threat before it escalates to hitherto unimaginable levels of violence Co published with the National Institute of Public Policy

America Misunderstood N. Sivakumar,2007 On November 2nd 2004 nearly six billion people from around the world closely watched their future being defined by 100 million American voters Whether we like it or not an American election does drive the rest of the world crazy every four years To our utmost surprise America being the lone superpower the rest of the world considers American voters as their sole representatives So when President Bush was re elected in 2004 much to the dismay of the rest of the world did you ever bother to read what the unknown world wrote about you and me While our mainstream media was busy educating us with our own opinions somewhere around the globe in a tiny town in Africa Asia or in the Middle East an opinion about Americans were written and drawn in a language that none of us would understand These opinions may very well have the answers for a famous question Why do they hate us
