## **Bone Parade:**

The Bone Parade Mark Nykanen,2004-02-11 Ashley Stassler is not your average artist He has been wildly praised for a series of bronze sculptures that group families together depicting them in moments of excruciating physical and emotional pain but the art world has no clue as to how he creates such authentic gruesome seemingly tortured human representations He assigns each family a number and now he s up to number nine What s in store for family 9 Cruelty and savagery that you can t even imagine The Bone Parade introduces a villain who is as methodical calculating and detached as any found in the best fiction It s gripping It s chilling You might be too afraid to read on but you ll never be able to tear your eyes away
