**Bone Deep** Sandra Ireland,2019-06-11 A twisty and propulsive read this dark psychological thriller of sibling rivalry love betrayal and the dire consequences of family fallout brilliantly plays on our fears of loneliness and abandonment harkening to the modern gothic bestsellers by Ruth Ware and Liz Nugent Is a story ever just a story Mac a retired academic and writer is working on a new collection of folktales inspired by local legends and at the insistence of her only child Arthur she hires a young assistant Lucie to live in a cottage on her property and help her transcribe them What Arthur doesn't know is that his mother is determined to keep the secrets of her past from ever being discovered And what Mac doesn't know is that Lucie has a few complicated secrets of her own The creaking presence of an ancient water mill next to Mac's property that used to grind wheat into flour serves as an eerie counterpoint for these two women as they circle warily around each other haunted by the local legend of two long dead sisters ready to point accusing fingers from the pages of history This atmospheric page turner evocatively gives voice to the question What happens when you fall in love with the wrong person

**Bone Deep** Debra Webb,2014-07-17 Some secrets are best left close to the bone From the author of the bestselling Faces of Evil series comes another chilling story of deception and betrayal Jill Ellington's twin sister hasn't spoken a word since she allegedly murdered her husband and her three year old son is missing No one in the small idyllic town of Paradise saw or heard a single thing The chief of police already has Jill's twin convicted and her nephew dead and buried Jill is going to need a miracle to uncover the truth Dr Paul Phillips has a gift or a curse depending upon how sober he is when asked He agrees to review Jill's case to settle an old debt but five minutes in Paradise and he knows he has made a monumental mistake This is the kind of case that broke him once before and he has no desire to go down that dark path again But there's something about Jill Ellington that won't let him walk away Paul's ability
