Boogie Beat:

Race and Radio Bala James Baptiste, 2019-08-01 In *Race and Radio: Pioneering Black Broadcasters in New Orleans* Bala James Baptiste traces the history of the integration of radio broadcasting in New Orleans and tells the story of how African American on air personalities transformed the medium. Analyzing a trove of primary data including archived manuscripts, articles, and display advertisements in newspapers, oral narratives of historical memories, and other accounts of African Americans and radio in New Orleans between 1945 and 1965, Baptiste constructs a formidable narrative of broadcast history, racism, and black experience in this enormously influential radio market. The historiography includes the rise and progression of black broadcasters who reshaped the Crescent City. The first O C W Taylor hosted an unprecedented talk show, the Negro Forum on WNOE, beginning in 1946. Three years later, in 1949, listeners heard Vernon Dr. Daddy O Winslow's smooth and creative voice as a disk jockey on WWEZ. The book also tells of Larry McKinley, who arrived in New Orleans from Chicago in 1953 and played a critical role in informing black listeners about the civil rights movement in the city. The racial integration of radio presented opportunities for African Americans to speak more clearly in their own voices and with a technological tool that opened a broader horizon in which to envision community. While limited by corporate pressures and demands from advertisers ranging from local funeral homes to Jax beer, these black broadcasters helped unify and organize the communities to which they spoke. *Race and Radio* captures the first overtures of this new voice and preserves a history of black radio's awakening.

Leader of the Pack Ellie Greenwich, Anne P. Beatts, Melanie Mintz, 1987 This hit Broadway musical retrospective celebrates the life and times of Ellie Greenwich, whose doo-wop sounds skyrocketed to the top of the 60s charts. The story of Ellie's rise to fame and fortune is punctuated with the virtual hit parade of her music: *Chapel of Love*, *Da Doo Ron Ron*, *Be My Baby*, *Hanky Panky*, *Do Wah Diddy Diddy*, and *Then He Kissed Me*, and of course the title song, *Leader of the Pack*.

Before Elvis Larry Birnbaum, 2013 An essential work for rock fans and scholars, *Before Elvis: The Prehistory of Rock n Roll* surveys the origins of rock n roll from the minstrel era to the emergence of Bill Haley and Elvis Presley. Unlike other histories of rock, *Before Elvis* offers a far broader and deeper analysis of the influences on rock music. Dispelling common misconceptions, it examines rock's origins in hokum songs and big band boogies, as well as Delta blues, detailing the embrace by white artists of African American styles long before rock n roll appeared. This unique study ranges far and wide, highlighting not only the contributions of obscure but key precursors like Hardrock Gunter and Sam Theard, but also the influence of celebrity performers like Gene Autry and Ella Fitzgerald. Too often, rock historians treat the genesis of rock n roll as a bolt from the blue, an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences. In *Before Elvis*, Birnbaum daringly argues a more complicated history of rock's evolution from a heady mix of ragtime, boogie, woogie, swing, country music, mainstream pop, and rhythm and blues, a melange that influenced one another along the way from the absorption of blues and

boogies into jazz and pop to the integration of country and Caribbean music into rhythm and blues Written in an easy style Before Elvis presents a bold argument about rock s origins and required reading for fans and scholars of rock n roll history
