Of Cain:

The Changes of Cain Ricardo J. Quinones, 2014-07-14 Era by era from the writings of the classical Christian epoch up to East of Eden and Amadeus from Philo to Finnegans Wake Ricardo Quinones examines the contexts of a master metaphor of our culture This brilliant work is the first comprehensive book on the Cain and Abel story Ricardo Quinones takes us on a grand tour of Western civilization in his admirable book which reveals the riches of the Cain Abel story as it develops from its Biblical origin to Citizen Kane and Michel Tournier This is cultural history and literary criticism of the first order finely written formidably but gracefully erudite and illustrating the capacity of Judeo Christian culture and the modernity emerging from it constantly to criticize the darker side of its own foundations and realizations Joseph Frank Ricardo J Quinones skips Biblical and Talmudic exegesis to follow Cain and Abel through later centuries from classical times to the present What he uncovers sheds light on important shifts of consciousness and behavior in European and American culture Quinones writes with true eloquence and conviction James Finn Cotter The Hudson Review Quinones s study of how the three Cains were transformed by Romanticism and Modernism into a sometimes positive sometimes negative but always necessary archetype of the modern world is literary and cultural analytic history at its very best Choice Ricardo J Quinones is Josephine Olp Weeks Professor of English and Comparative Literatures and Director of the Gould Center for Humanistic Studies at Claremont McKenna College in Claremont California He is the author of The Renaissance Discovery of Time Harvard Dante Alighieri Twayne and Mapping Literary Modernism Time and Development Princeton Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Precious and Sacred Writings of Martin Luther, the Hero of the Reformation, the Greatest of the Teuton Church Fathers, and the Father of Protestant Church Literature. Lyle, 2013-10-15 This book is a culmination of that research After trashing his work 10 times and starting over he managed to get a revised chronology that seemed to be more accurate than that being put out by the status quo universities It combines secular world history with Biblical history in a far more even and smoother match than that proposed by former historians who have attempted the same This is his version 12 which doesn't try to match different histories based on dates but rather by matching people and events and then applying revised dates to those events and people This work will call into question the conclusions of historians of the last 200 years about the ancient periods of time and provide an alternative dating for those times It is a World History in that it incorporates the ancient history of India China Japan as well as the traditional

Middle Eastern and European societies of ancient times It re evaluates the beginnings of civilization and the solar system refuting common historical and scientific beliefs of the modern world Documents that have previously been written off as Mythology have been re evaluated as well as they give a different perspective of ancient times and what happened back then The use and creation of calendars is an important feature added to this work which is seldom taken into account by modern histories Incorporated in this work are many of the more recent archaeological finds that have yet to be incorporated in status quo works and institutions He makes no apology for the fact that this is Biblically based and the conclusions that have been reached by this work fit very well in Biblical contexts and adds some understanding to the events that took place in the Biblical narratives

Tree of Souls Howard Schwartz,2004-11-01 The first anthology of Jewish mythology in English Tree of Souls reveals a mythical tradition as rich and as fascinating as any in the world Drawing from the Bible the Pseudepigrapha the Talmud and Midrash the kabbalistic literature medieval folklore Hasidic texts and oral lore collected in the modern era Schwartz has gathered together nearly 700 of the key Jewish myths The myths themselves are marvelous We read of Adams diamond and the Land of Eretz where it is always dark the fall of Lucifer and the quarrel of the sun and the moon the Treasury of Souls and the Divine Chariot We discover new tales about the great figures of the Hebrew Bible from Adam to Moses stories about God s Bride the Shekhinah and the evil temptress Lilith plus many tales about angels and demons spirits and vampires giant beasts and the Golem Equally important Schwartz provides a wealth of additional information For each myth he includes extensive commentary revealing the source of the myth and explaining how it relates to other Jewish myths as well as to world literature for instance comparing Eves release of evil into the world with Pandoras For ease of use Schwartz divides the volume into ten books Myths of God Myths of Creation Myths of Heaven Myths of Hell Myths of the Holy Word Myths of the Holy Time Myths of the Holy People Myths of the Holy Land Myths of Exile and Myths of the Messiah

The Mark of Cain Ruth W. Mellinkoff,2003-04-29 For few verses in the Bible is the relationship between scripture and the artistic imagination more intriguing than for the conclusion of Genesis 4 15 And the Lord set a mark upon Cain that whosoever found him should not kill him What was the mark of Cain The answers set before us in this sensitive study by art historian Ruth Mellinkoff are sometimes poignant frequently surprising An early summary of rabbinic answers for examples runs as follows R Judah said He caused the orb of the sun to shine on his account Said R Nehemiah to him For that wretch He would cause the orb of the sun to shine Rather he caused leprosy to break out on him Rab said He gave him a dog Abba Jose said He made a horn grow out of him Rab said He made him an example to murderers R Hanin said He made him an example to penitents R Levi said in the name of R Simeon b Lakish He suspended judgment until the flood came and swept him away After a review of such early Jewish and

Christian exegesis Mellinkoff divides physical interpretations on the mark into three groups A Mark on Cain s Body A Movement of Cain s Body and A Blemish Associated with Cain s Body Her discussion of these groups is the heart of her study and offers its richest examples of interplay among medieval art and imaginative literature on the one hand and biblical exegesis on the other Thus in one remarkable tour de force she shows us how a poetic misprision of Genesis 4 24 Sevenfold vengeance will be taken for Cain but for Lamech seventy times sevenfold made Lamech the murderer of Cain how there then grew up the legend that Lamech a hunter had killed Cain when he mistook him for an animal how from that the notion that the mark of Cain was a horn or horns on Cain s head arose in the poignant formulation of the Tanhuma Midrash Oh father you have killed something that resembles a man except it has a horn on its forehead and how from that in the maturity of the legend there flowered Cornish drama Irish saga and stunning reliefs of a dying antlered Cain in the cathedrals of Vezelay and Autun Like Genesis 4 15 itself The Mark of Cain is suggestive rather than comprehensive Concluding chapters on Intentionally Distorted Interpretations of Cain s Mark and Cain s Mark and the Jews bring the history down to our own day but Mellinkoff does not claim to have said the last word on the subject Her achievement is neither documentary nor exegetical but rather demonstrative she shows us with brilliant economy how the artistic imagination functioned in a world whose intellectual definition was a closed canonical text
