

THE BOOK OF SCSI

The background of the cover is a detailed, colorful illustration of a futuristic city. In the foreground, a sleek, dark-colored flying car is shown from a side profile, moving towards the right. The city below is filled with various structures, including a large, multi-story building with a prominent window. The sky is a deep blue, and several other flying vehicles are visible in the distance. A large, bright red starburst shape is positioned in the upper right corner, partially overlapping the title. The overall style is reminiscent of classic pulp magazine covers.
