Oswalt, 1986-07-25 The first of John N Oswalt's two part study of the book of Isaiah for the NICOT series this commentary on chapters 1-39 combines theological acumen literary sensitivity philological expertise and historical knowledge to present a faithful and accurate reading of one of the Old Testament's most important books In the introduction to this work Oswalt considers Isaiah's background unity of composition date and authorship canonicity Hebrew text theology and problems of interpretation and he offers a select bibliography for further research Oswalt also provides substantial discussions of several issues crucial to the book of Isaiah He notes for example that scholars often divide Isaiah into three divisions with chapters 1-39 addressing Isaiah's contemporaries in the eighth century B.C chapters 40-55 presupposing the exile of the sixth century and chapters 56-66 presupposing the eventual return from exile While taking this scholarship into account Oswalt defends the unity of the prophetic book and argues convincingly that the whole book can be attributed to the Isaiah of the eighth century The commentary proper based on Oswalt's own translation of the Hebrew text provides pastors scholars and students with a lucid interpretation of the book of Isaiah in its ancient context as well as an exposition of its message for today Isaiah 1-39 Christopher R. Seitz, 2011-12-15 This unique commentary allows the interpretation of Isaiah 1-39 to be guided by the final form of the book It focuses on the theological aspect of the book of Isaiah giving special attention to the role of literary context Christopher Seitz explores structural and organizational concerns as clues to the editorial intention of the final form of the material which he argues is both intelligible and an intended result of the efforts of those who gave shape to the present form of the book Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry The Book of Isaiah, Chapters 1-39 John N.
