Comics Versus Art Bart Beaty,2012-07-17 On the surface the relationship between comics and the high arts once seemed simple comic books and strips could be mined for inspiration but were not themselves considered legitimate art objects Though this traditional distinction has begun to erode the worlds of comics and art continue to occupy vastly different social spaces *Comics Versus Art* examines the relationship between comics and the most important institutions of the art world including museums auction houses and the art press Bart Beaty's analysis centres around two questions why were comics excluded from the history of art for most of the twentieth century and what does it mean that comics production is now more closely aligned with the art world Approaching this relationship for the first time through the lens of the sociology of culture Beaty advances a completely novel approach to the comics form

Toys in the Age of Wonder Mark Rich,2020-09-23 By the middle 1800s toys were appearing in forms that drew upon and that inspired advances in areas such as optics biology geography transportation and automation In these decades too a new type of wonder tale was being brought to maturity by a Poe inspired Jules Verne The modern wonder tale's highly charged vision expressed the hopes and the fears and the delights and the traumas engendered by new worlds idealism that Western pursuit of both mechanical and geographical conquest Exploring realms belonging to childhood literature science and history this innovative study weaves together the histories of wonder tales and children's toys focusing specifically on their modern aspects and how they reflect and express the social attitudes of that time period beginning around 1859 and ending around 1957

Southeast Asian Cartoon Art John A. Lent,2014-02-07 This is the first overview of cartoon art in this important cultural nexus of Asia The eight essays provide historical and contemporary examinations of cartoons and comics in Indonesia the Philippines Thailand Cambodia and Vietnam and sociocultural and political analyses of cartooning in Singapore Myanmar and Malaysia The collection benefits from hundreds of interviews with Southeast Asia's major cartoonists conducted by the four contributors as well as textual analyses of specific cartoons on the spot observations and close scrutiny of historical documents All genres of printed cartoon art are studied including political and humor cartoons newspaper comic strips comic books and humor and cartoon periodicals Topics of discussion and comparison with cartoon art of other parts of
