

# HOW TO BUDGET ON A LOW INCOME

## 01 Prioritize Expenses

Always pay necessities first, including food, housing, utilities and transportation. Pay no other expenses until these are taken care of.

## 02 Cut Costs

Temporarily cut out all non-necessities such as eating out, personal spending, vacation, recreation, etc. The goal is to get caught up and a plan in place.

## 03 Set a Budget

Break the paycheck to paycheck cycle by carefully and strategically making a written budget every month before the month begins. Plan every single dollar on paper.

## 04 Use Cash to Save

Research shows when we use cash we behave differently with money. Cash budgeting is especially helpful for budget categories you tend to overspend on.

Marla Berg-Weger, Julie Birkenmaier, 2000 The ideal companion for the first field practicum experience this book guides students through their placement while reinforcing the link between social work theory and practice. It includes detailed information on the field practicum experience from start to finish including establishing a professional identity working safely making the most of practicum supervision organizational issues micro mezzo and macro social work practice social work and the legal system and terminating effectively from the practicum. To make the material more accessible the book follows the progress of four students Ben Cameron Corina and Lauren as they move through their own practicum experiences. Their real life stories help spur discussion while helping students apply the knowledge skills and or issues presented in the text. To further stimulate critical thinking and discussion the book provides discussion questions and practice applications in each unit. Many of the applications were developed in conjunction with agency based field instructors.
