**Guide for Supporting Students from Military Families** Linda Jacobson, Rami Benbenishty, 2012-09-28 While it is true that children from military families live unique and interesting lives it is also true that they face many challenges and special circumstances that civilian children and families don't experience These can include gaps in school attendance and learning due to frequent moves being separated from a parent who has been deployed and a sense of isolation in the midst of a civilian community This evidence informed guide introduces school administrators to this population and offers tools to help them implement school wide programs that will support military students learning Written in an engaging style by experts in the field this practical guide includes Profiles of principals who have created welcoming school environments for military children and parents Lessons learned from the Department of Defense Education Activity DoDEA schools A chapter on using data to improve school culture for military students A chapter on education policies that can improve circumstances for military children Research highlighting how frequent school transitions and parental deployments affect the education of military children

*A Pocket Guide to Mentoring Higher Education Faculty* Tammy Stone, 2018-06-05 This book is written for senior faculty and administrators at resource strapped institutions who are not trained in higher education administration who are concerned with mentoring It is written in accessible nontechnical language but references the more scholarly and statistically based journals and books for those who wish to dig deeper The book covers the mentoring of junior faculty on the tenure track line through senior faculty and include coverage of non tenure track faculty faculty in hostile departments and faculty who face additional issues of discrimination Chapters begin with a fictionalized case study to explore common problems and presents pragmatic solutions that often cost little money and rely instead on an investment of time

*Leading from the Middle* Tammy Stone, Mary Coussons-Read, 2011-05-16 Pity the humble academic Moving from a faculty position to an administrative office frequently entails gaining considerable responsibility but ambiguous power The hope of these two authors is that this volume will serve as a reference and a source of support for current associate and assistant deans and as a window into these jobs for faculty who may be considering such a role Staff positions often come with detailed job descriptions and reporting lines but the role of associate assistant deans is often ill defined and dependent upon the personality of the dean they serve The authors thus begin their discussion with an examination of the relationship between these two positions setting the tone for the rest of the book Stone and Coussons Read have structured as a series of modules that encompass different situations in which associate assistant deans may find themselves and the authors candidly give advice about how to handle the resulting challenges Case studies illustrate the typical daily work required by this position with each case followed by suggestions for effective responses The authors also provide references to sources in which readers can dig more deeply into areas such as conflict management and communication styles
