**The Book of Acts** Bob Emery, 2020-09 The Book of Acts gives us a basic understanding of the story of the first century Church from 30 AD Pentecost up until Paul's first imprisonment in Rome which lasted from 61 AD to 63 AD. Luke's account in Acts ends when Paul is still under house arrest. But it only gives us a skeletal understanding of the story, not the full picture. By combining what we find in Acts with details found in the rest of the New Testament letters, we can gain a wealth of information and revelation about what Jesus continued to do and teach through his

apostles and prophets But all these details are a challenge to sort out and without a timeline to put the people and events in context it is still difficult to discern the full picture Where in our Bibles are we given a summary about what specifically transpired during that period from 63 AD when the Book of Acts ends through 70 AD during which time the rest of the New Testament epistles were written When precisely was each written From where were they written What circumstances and events were taking place within secular history and circumstantially within the churches that motivated them to be written Where do we find that history or that story clearly laid out for us as we study our New Testaments The answer is we don't Piecing together the story of the early Church is much like putting together a puzzle Understanding the timeline is critical It is like finding the corner and edge pieces of a puzzle around which the rest of the puzzle all falls into place Having a timeline will guide you into a fuller understanding of the real story of the New Testament Church

**The Acts of the Apostles**, 1885 The Acts of the Apostles Arno Clemens Gaebelain, 1912 An exposition of the book of Acts **The Acts of the Apostles** Lyman Abbott, 1876 The Book Of Acts Greg Livingstone, 2005 This book clearly portrays that God's primary purpose in giving us The Book of Acts is to show how He intends to fulfil His purposes in calling people whose hearts are attuned to be His apostles to accomplish His purposes in our generation The Book of Acts is indeed Luke's earliest church history Luke's story of the life of Christ and now the growth of the Church is meant to connect with the Old Testament story

**Exploring Acts** John Phillips, 2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine The Book of Acts Wilson Paroschi, 2018 Thirty years that's all it took In those 30 years the Christian church gained sufficient growth and credibility to become the largest religion the world has ever seen and to change the lives of hundreds of millions of people And it all began with a dozen men a handful of women and the Holy Spirit Acts is their story While it's tempting to think of the early Christian church as the pinnacle of unity purity and perfection this is misleading Author Wilson Paroschi writes We find the early believers including the apostles entangled with misconceptions personal conflicts prejudice and several other difficulties typical of human nature They were not infallible What they were able to accomplish in such a short period of time however is a perpetual testimony of how powerfully God can work when men and women despite their limitations and failures humble their hearts in prayer and submit their lives to the control of the Holy Spirit We should not look at Acts as a retelling of the missionary successes of the apostles but rather as an example of the amazing things God was able to accomplish through them in reclaiming humanity for Himself Book jacket **Acts for Everyone, Part One** N. T. Wright, 2008-02-14 Enlarged print edition now available Writing in an accessible and anecdotal style Tom Wright helps us to approach the rich and many-sided story of the book of Acts Wright shows how the book builds on Luke's Gospel laying out the continuing work and teaching of the now risen and ascended Jesus in the power of the Spirit His writing captures the vivid way in which Luke's work draws us all into the story while leaving the ending open and challenging inviting Christians today to pick up and carry

on the story as we in turn live our lives in the service of Jesus Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions

Acts Livingstone,2021-03-02 The Life Application Bible Commentary Acts explores every verse in the book of Acts providing background information and Life Application notes designed to bring the timeless truths of Scripture to bear on real problems The introduction provides historical and cultural background information the commentary covers the complete Bible text and the reference feature makes particular verses and phrases easy to find The teaching notes sermon ideas and coordination with the Life Application Study Bible provide everyone from pastors to laypersons the necessary elements to address spiritual needs answer biblical questions and provide help for daily living

**Acts** F. Scott Spencer,1997-01-01 This reading offers a traveller s guide through the book of Acts charting both narrative features plot development character building and shifting points of view and cultural scenarios informing the story honor shame contests patron client relations and purity pollution boundaries Within this literary cultural framework Spencer undertakes to map the temporal spatial and social settings of each segment of the Acts journey While often detecting internal repetitive patterns along the way as well as comparative links with the preceding Lukan gospel and Jewish scriptures this reading also exposes certain dramatic tensions within Acts such as a double message regarding women s prophetic ministry and distinctive moves beyond prior narratives The element of surprise is maximized so that the commentary reads somewhat like a first time exploration of the text

*Understanding Acts* William M. Templeton,2012-04 The New Testament Book of Acts is an exciting book to study This is especially true when one realizes that we are living in the age which began in the first few chapters of Acts Continuing the Understanding series William M Templeton in his book *Understanding Acts* Volume One covers in detail the events of what he calls the transitional days Theological truths are presented clearly true to Scripture with unique applications for modern living It brings to life the actions of the apostles and disciples and the intervention of God in those days surrounding Pentecost the embryonic birth of the church and its explosive growth In the vein of exegesis this commentary goes one step further by examining human relationships and behaviors It not only explains the meaning of verses but of events and eras A clearer understanding of this chapter in the church s history provides a wealth of wisdom for the church of today This book will be invaluable to the pastor seminary student Sunday School teacher and lay person WILLIAM TEMPLETON has been pastoring churches for thirty nine years He is married to the former Bonita

Arlene Irby The Templetons have four grown children eight grandchildren and are awaiting the birth of two more William Templeton attended Virginia Polytechnic Institute and State University from 1969 through 1972 He then transferred to what is now Liberty University where he majored in pastoral studies and theology For more than forty years Bill has been studying Scripture in an effort to bring the Word of God to every person in a clear and understandable fashion Other books by William Templeton How To Make Your Dating Years FUN The Chronology of the Revelation Clear Answers to Murky Questions Understanding Genesis For more information and printed materials visit our website [www.araratpublishing.com](http://www.araratpublishing.com) Lectures on the Book of Acts Henry Allan Ironside,1961 The book of Acts is a vital guide to Christians today God has given us in this story of early day Christianity a pattern of Christian testimony missionary effort world evangelism and building of Christian churches Although it is usually called The Acts of the Apostles this book is largely limited to the ministry of Peter and Paul More apt titles would be The Acts of the Holy Spirit or The Acts of the Risen Christ through the Holy Spirit Working in the Church Here on Earth Dr Ironside has said I am firmly convinced that in these days of departure from the faith in so many different ways we need to give greater attention than ever before to the divinely inspired record of the early days of the Church and the beginning of its world wide missionary program Certainly we can be assured of this the closer we come to ordering all things according to this holy pattern the greater blessing will attend our efforts These lectures are beautifully clear human in appeal and simple to understand **Acts** C. K. Barrett,2004-06-26 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format Acts Dennis Gaertner,1995

**What are They Saying about Acts?** Mark Allan Powell,1991 Provides an overview of current scholarship on Acts that will serve as a suitable introduction to that book of the Bible The Book of the Acts Frederick Fyvie Bruce,1988 First published in 1954 F F Bruce s volume on the Book of Acts in the NICNT series has stood for more than forty years as a standard commentary on Acts In keeping with the effort to be faithful to the description new in the series title however Bruce undertook a thorough revision of this commentary before his death in 1990 Expanded and fully updated this volume now reflects the best elements of recent notable contribution to the study of Luke Acts as well as the author s own deepened understanding gained from years of further reflection on the text Whereas the first edition used the text of the American Standard Version of 1901 this revision is based on Bruce s own fresh translation of the Greek text The result is a work that makes transparent the walls between the first and twentieth centuries and enables readers to hear not only the voice of Luke

but the Word of God Jacket flap      **Acts (6 volumes in 3)** Martyn Lloyd-Jones, 2013-08-31 The book of Acts records some of the most important events in the New Testament the birth of the church the coming of the Holy Spirit bold preaching and dramatic missionary journeys In addition to providing incredible insights into the growth of the apostolic church Acts also encourages and challenges Christians today spurring readers on to wholehearted devotion to Christ In this newly revised three volume collection of sermons famed preacher Dr Martyn Lloyd Jones explains the message of the first eight chapters of Acts with clear language and pastoral warmth From Peter s bold preaching to the dramatic stoning of Stephen Lloyd Jones points readers back to the foundational figures and key events of the Christian faith emphasizing the basic truths undergirding genuine belief      The Theology of the Acts of the Apostles Jacob Jervell, 1996-05-16 Who are the people of God Luke s purposes in the Acts of the Apostles are to identify the church to establish the legitimacy of its gospel and to demonstrate that God was an active force in history He wanted to show that the communities of Jewish and Gentile Christians are the true heirs of God s promises to Israel He gives the history of the early church from the last decades of the first century as the communities become separated from their Jewish origins and Paul plays the lead role Acts offers an apologetic for the mixed mission of the church to Jews and Gentiles Luke was an eyewitness to some of what he reports but his authorship and views have been questioned This is a theological interpretation of the history of the church within history Luke is an artist a narrator rather than a systematic theologian but writes about the roles of God Christ and the Holy Spirit and of the church
