

P R E F A C E.

“**E**NGLISH WIT AND HUMOUR” is a compilation of some of the best specimens of wit and humour contained in the language, and the most brilliant examples of wit will be found, upon examination, to have been those which were unpremeditated, and which were the result of the contact of two minds upon an unexpected subject; while the best specimens of humour will be seen to be those in which the humour is unconscious. One example of the latter came to the notice of the compiler after the text of this booklet was printed, and which is too good to be lost. He was talking to the manager of a large bookselling establishment in London, when one of the assistants, who had been asked by a customer for a child’s book, took up a copy of “Robinson Crusoe,” and said to the manager, “Please, sir, is this a Child’s Book?” The latter admitted that this was *hard* on the literary talent of the establishment. But, reader, pass in!

Book Of Prefaces

Christopher Morley

Book Of Prefaces:

The Book of Prefaces Alasdair Gray, 2020-10-01 A great fascinating work from award winning novelist Alasdair Gray chronicling the history of how literature spread and developed through three British nations and most North American states

A Book Of Prefaces Henry Louis Mencken, 2021-09-04 **A Book of Prefaces** Professor H L Mencken, 2020-08-21 A Book of Prefaces is H L Mencken s 1917 collection of essays criticizing American culture authors and movements Mencken described the work as My most important book in its effects upon my professional career In fact the book was considered vitriolic enough that Mencken s close friend Alfred Knopf was concerned about publishing it because of the massive increase in patriotism during World War I in America The book was eighty pages long and divided into four essays The first three were concerned with specific writers Theodore Dreiser Joseph Conrad and James Gibbons Huneker respectively But perhaps the most important and certainly the most outspoken essay was entitled Puritanism as a Literary Force during which he alleged that William Dean Howells Henry James and Mark Twain were victims of the Puritan spirit The Puritan s utter lack of aesthetic sense his distrust of all romantic emotion his unmatched intolerance of opposition his unbreakable belief in his own bleak and narrow views his savage cruelty of attack his lust for relentless and barbarous persecution these things have put an almost unbearable burden up on the exchange of ideas in the United States Mencken had criticized Puritanism for many years famously characterizing it as the haunting fear that someone somewhere may be happy but through World War I his criticism became increasingly outspoken in part due to the rising tide of Prohibition Mencken s book triggered the imagination of a famous American author As a teen first entering the world of reading and books in the early 1920s Richard Wright found literary inspiration in A Book of Prefaces Response to Mencken s book was generally poor but certain defenders of American culture were particularly outspoken in their criticism of the book most notably Stuart Sherman a professor at the University of Illinois Sherman was personally attacked in Prefaces According to Sherman Mencken leaps from the saddle with sabre flashing stables his horse in the church shoots the priest hangs three professors exiles the Academy burns the library and the university and amid smoking ashes erects a new school of criticism on modern German principles Other major critics included Paul Elmer More and Irving Babbitt although neither of these was as vitriolic as Sherman According to Mencken Sherman s review was a masterly exposure of what is going on in the Puritan mind and particularly of its maniacal fear of the German The curse of criticism in America is the infernal babbling of third rate college professor the Book of Prefaces shook the professors as they had never been shaken before wikipedia org **A book of prefaces** H.L. Mencken, 2019 **A Book of Prefaces (Jovian Press)** H. L. Mencken, 2017-07-04 This fourth printing of A Book of Prefaces offers me temptation as the third did to revise the whole book and particularly the chapters on Conrad Dreiser and Huneker all of whom have printed important new books since the text was completed In addition Huneker has died But the changes that I d make after all would be very slight and so it seems better not to make them at all From Conrad have come The Arrow

of Gold and The Rescue not to mention a large number of sumptuous reprints of old magazine articles evidently put between covers for the sole purpose of entertaining collectors From Dreiser have come Free Twelve Men Hey Rub a Dub Dub and some chapters of autobiography From Huneker before and after his death have come Unicorns Bedouins Steeple Jack Painted Veils and Variations But not one of these books materially modifies the position of its author The Arrow of Gold I suppose has puzzled a good many of Conrad s admirers but certainly The Rescue has offered ample proof that his old powers are not diminished The Dreiser books like their predecessors that I discuss here reveal the curious unevenness of the author Parts of Free are hollow and irritating and nearly all of Hey Rub a Dub Dub is feeble but in Twelve Men there are some chapters that rank with the very best of The Titan and Jennie Gerhardt The place of Dreiser in our literature is frequently challenged and often violently but never successfully As the years pass his solid dignity as an artist becomes more and more evident Huneker s last five works changed his position very little Bedouins Unicorns and Variations belong mainly to his journalism but into Steeple Jack and above all into Painted Veils he put his genuine self I have discussed all of these books in other places and paid my small tribute to the man himself a light burning brightly through a dark night and snuffed out only at the dawn

A Book of Prefaces H. L. (Henry Louis) Mencken, 2018-06-29 Book of Prefaces by H L Henry Louis Mencken JOSEPH CONRAD 1 Under all his stories there ebbs and flows a kind of tempered melancholy a sense of seeking and not finding I take the words from a little book on Joseph Conrad by Wilson Follett privately printed and now I believe out of print They define both the mood of the stories as works of art and their burden and direction as criticisms of life Like Dreiser Conrad is forever fascinated by the immense indifference of things the tragic vanity of the blind groping that we call aspiration the profound meaninglessness of life fascinated and left wondering One looks in vain for an attempt at a solution of the riddle in the whole canon of his work Dreiser more than once seems ready to take refuge behind an indeterminate sort of mysticism even a facile supernaturalism but Conrad from first to last faces squarely the massive and intolerable fact His stories are not chronicles of men who conquer fate nor of men who are unbent and undaunted by fate but of men who are conquered and undone Each protagonist is a new Prometheus with a sardonic ignominy piled upon his helplessness Each goes down a Greek route to defeat and disaster leaving nothing behind him save an unanswered question I can scarcely recall an exception Kurtz Lord Jim Razumov Nostromo Captain Whalley Yanko Goorall Verloc Heyst Gaspar Ruiz Almayer one and all they are destroyed and made a mock of by the blind incomprehensible forces that beset them Even in Youth Typhoon and The Shadow Line superficially stories of the indomitable that same consuming melancholy that same pressing sense of the irresistible and inexplicable is always just beneath the surface Captain Mac Whirr gets the Nan Shan to port at last but it is a victory that stands quite outside the man himself he is no more than a marker in the unfathomable game the elemental forces fighting one another almost disregard him the view of him that we get is one of disdain almost one of contempt We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out

of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

A Book of Prefaces Henry Louis Mencken,1993-12-01 Bonded Leather binding [A Book of Prefaces](#) Henry Louis Mencken,1917 A Book of Prefaces by Henry Louis Mencken first published in 1917 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it *Prefaces* Don Marquis,1919 **BK OF PREFACES** H. L. (Henry Louis) 1880-1956 Mencken,2016-09-10

A Book of Prefaces Mencken H. L. (Henry Louis),2019-02-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Prefaces Without Books** Christopher Morley,1970 **A Book of Prefaces** H. Mencken,2021-08-29 Book Excerpt of it spring the two rules which give direction to all popular thinking the first being that no concept in politics or conduct is valid or more accurately respectable which rises above the comprehension of the great masses of men or which violates any of their inherent prejudices or superstitions and the second being that the articulate individual in the mob takes on some of the authority and inspiration of the mob itself and that he is thus free to set himself up as a soothsayer so long as he does not venture beyond the aforesaid bounds in brief that one man s opinion provided it observe the current decorum is as good as any other man s Practically of course this is simply an invitation to quackery The man of genuine ideas is hedged in by taboos the quack finds an audience already agape The reply to the invitation in the

domain of applied ethics is the revived and reinforced Sklavenmoral that besets all of us of English speech the huggermugger morality of timorous whinin Read More *Prefaces and Prologues to Famous Books* William Caxton, Jean Calvin, Nicolaus Copernicus, Francis Bacon, Edmund Spenser, Sir Walter Raleigh, Isaac Newton, Henry Fielding, Samuel Johnson, Johann Wolfgang von Goethe, William Wordsworth, Walt Whitman, 1910 **Prefaces to Unwritten Works** Friedrich Wilhelm Nietzsche, 2005 Prefaces to Unwritten Works is a collection of five essays prefaces to books that Nietzsche never went on to write Nietzsche himself put these prefaces together in the form of a small leather bound handwritten book and gave that book to Cosima Wagner as a Christmas present in 1872 The dedicatory letter indicates that Nietzsche sent this little book to Cosima in heartfelt reverence and as an answer to verbal and epistolary questions As such this work is a window into Nietzsche's relations with the Wagners at the height of their association but it is also a continuation of Nietzsche's radical confrontation with Greek antiquity that had begun with the then recently published Birth of Tragedy The Wagners read Nietzsche's book of prefaces on the evening of New Year's Day 1873 and Cosima records in her diary five days later that at night again she reflected about the essence of art as a consequence of Nietzsche's work A month later Cosima sent Nietzsche a letter encouraging him to write at least two of the books promised by his prefaces Nietzsche did not go to write the books heralded by these prefaces but the prefaces themselves provide substantial challenges of their own and intriguing clues as to the form and content of the books Nietzsche may have intended Some of these prefaces are better known to students of Nietzsche than others and have attracted significant attention from scholars The first essay is entitled On the Pathos of Truth and it considers the relative value of truth and art for human life The second essay Thoughts on the Future of Our Educational Institutions is the only preface in this collection regarding which Nietzsche did actually go on to write a book albeit a book he did not publish entitled On the Future of Our Educational Institutions available from St Augustine's Press This essay is a revised version of the preface Nietzsche wrote for that book and the changes Nietzsche made are indicative of the plans he had for an improved version The topic of the essay is almost entirely the art of careful reading The third essay is entitled The Greek State and it treats of the relation of slavery to culture and of the genius to the state This essay is also an interpretation of Plato's Republic in which Nietzsche claims to reveal everything he has divined of this secret writing The fourth essay The Relation of Schopenhauerian Philosophy to a German Culture neither assumes that there is in fact at present a German Culture nor hardly mentions Schopenhauer at all except to suggest that he is one about whom a culture could be built The final essay is entitled Homer's Contest and is an exploration of the place of jealousy strife and agonistic competition in Greek culture BOOK JACKET *Book Of Prefaces* Alisdair Gray, 2000-05 While Alasdair Gray has chosen and edited all the prefaces and has written most of the commentary in this book he was assisted in this by some 30 authors who have also written commentaries These include James Kelman Janice Galloway A L Kennedy Roger Scruton and Virginia Woolf

Prefaces and Prologues to Famous Books Charles W. Eliot, 2016-09-20 No part of a book is so intimate as the Preface

Here after the long labor of the work is over the author descends from his platform and speaks with his reader as man to man disclosing his hopes and fears seeking sympathy for his difficulties offering defence or defiance according to his temper against the criticisms which he anticipates It thus happens that a personality which has been veiled by a formal method throughout many chapters is suddenly seen face to face in the Preface and this alone if there were no other reason would justify a volume of Prefaces 19th Century Book *Parapositions: Prefacing American Literature in Bulgarian Translation 1948-1998* Milena Katsarska,2021-07-07 This study analyzes the social significance of prefaces with reference to Bulgarian editions of American literature published between 1948 and 1998 Such prefaces present a diverse body of texts in different voices involving numerous actors in the cultural sphere These raise a range of interesting questions How do prefaces in Bulgaria structure American literary and cultural studies What ideological dimensions are found in them through the communist period and immediately afterwards How are questions about race mediated What do they indicate about Bulgaria's relations to the USA the former USSR and other European countries How aware are American Studies scholars of the underlying presumptions of their professional field These and other important questions are carefully considered in this book while exploring a large body of fascinating source material which has received little systematic attention so far *Prefaces and Prologues to Famous Books with Introductions, Notes and Illustrations* Various,2019-11-20 This is a fascinating collection of prefaces to various literary works As the collector says prefaces give fascinating insights into an author's state of mind and purpose when writing his or her work They help the reader to better understand the value and significance of the work **Prefaces and Prologues to Famous Books** ,1980

Book Of Prefaces Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Book Of Prefaces free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Book Of Prefaces free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Book Of Prefaces free PDF files is convenient, its important to note that copyright laws

must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Book Of Prefaces. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Book Of Prefaces any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Book Of Prefaces Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Book Of Prefaces is one of the best book in our library for free trial. We provide copy of Book Of Prefaces in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Book Of Prefaces. Where to download Book Of Prefaces online for free? Are you looking for Book Of Prefaces PDF? This is definitely going to save you time and cash in something you should think about.
