Schmid,2016-05-31 Differences in translation between so called literal Bible versions make it quite appropriate to re evaluate what is meant by the label literal What do different literal Bible translations have in common How do they differ How do we account for possible different concepts of literalness How is the concept of literalness applied to the making of a Bible translation To answer these questions the author compares three literal Bible translations the King James Version the New American Standard Bible and the English Standard Version For each of these versions the historical background and the writings of the translators themselves are analysed The book concludes with a comparison of the three translations in their renderings of selected examples from the Gospel of John

When the World Was New Gifford Michael Rodney,2015-12-03 I thought about when God first made man I thought about when God saved the world with eight people I thought about the new world that is coming when Jesus comes back to this earth to rule I just write these truths as the Lord gives them to me I was a country boy that didnt know too much of anything but this one thing I know the Lord is coming back to take away all the people that are ready to go back with him John said I saw a new Heaven and a new Earth The old Heaven and the old Earth is passing away and will be no more A new beginning So I just like to write to tell a story about God [The Mustard Seed](#) John Hourihan,2020-02-21 In 2130 the god we worship

is the wrong god the science we believe in is not complete and Raphael Aronson has given up the presidency of the United World Republic to his friend Uri Levinson The Mustard Seed 2130 the third in the Mustard Seed trilogy is a science fiction adventure novel that is centered around a totally new literal and factual interpretation of the Christian religion how it is explained in scriptures and how it is supported by scientific fact Morgan Baez and her friend former president Raphael Aronson with a handpicked group are attacked by an organization led by Rod Baez Morgan s adopted son The story proceeds from Washington DC to Newfoundland through Hawaii and to Tel Meggido where the final unexpected war is to be fought or not Aronson has found out that technology is the same as human genetics scripture is science war is the same as peace and god is not God He and his friends are guided by a mysterious recluse who calls himself a Watcher on a trip through human history and pre history how mankind progressed from a curious little biped through genetic manipulation to become one of the most powerful entities on Earth from scientific Adam and Eve into the third millennium AD where the politics of greed and falsehood nearly destroyed mankind in a flash of worldwide war And he has found the top of the food chain but it is not who he expected Baez and the group follow the lead of a Watcher into the prophesies of the Book of Revelation only to find a surprise at the end where they find that the Theory of Relativity the Parable of the Mustard Seed and the Book of Revelation are the answers to humanity s current existence and the explanation of our future *Count It All Joy* Missionary

Paula,2016-10-21 Missionary Paula happily shares some small victories in her life in hopes of encouraging others through their own test and trials Missionary Paula also shares what worked and what didnt work through her own spiritual journey with Jesus Christ in hopes that her readers will not make the same mistakes that she did However if anyone has made any of the same mistakes or even other mistakes Missionary Paula encourages her readers to believe that God still loves them and its not too late to turn to Christ in order to receive their deliverance **Rising Above Your Life Journey** Bette

Mabry,2020-05-13 With a commitment that God would be first in our marriage we followed that principle through the adversities and illnesses of our life journey as we rose above the trials This book is a collection of true stories of our life of trusting God through those times with His comforting Grace In turn we learned about Compassion a quality missing in today s world This prepared us to be compassionate to others in their times of need and taught us how to comfort them in God s ways Be prepared to read and be motivated no matter what comes your way An easy to read and must read book written as a labor of love filled with many words from the Holy Bible **Isaiah the Prophet,The Imminent Return of Christ** Dr.

Oliver L. Johnson Jr.,2015-02-28 Isaiah has always been considered the greatest of the Old Testament prophets and while many of his prophecies have already been fulfilled many are yet to come to fruition Chapters 40 48 are the comforting promises of the salvation and restoration of the exiles Chapters 49 55 are messages of deliverance by the Messiah and chapters 56 66 are admonitions to obedience and promises of not only Israels future glory but the raptured saints as well In this book you will find out all about the end times And Gods judgments of Israel and all the nations that Come through the

tribulation period The Father We Never Knew Phelim Doherty,2017-02-28 The gospel of Gods grace announces nothing less than the abolition of religion But we have taken a supernatural message and turned it into a mere natural one and the result is a spiritually immature church that sees strength primarily in natural terms and church growth as being about congregation sizes and resources rather than revelation When the glitter of religious performance what we can achieve for God is peddled in the church as real gold for long enough then we raise a generation of believers who know how to do things for God but not how to be the children of a joyful Father We raise a nation of holy orphans who not knowing their Fathers righteousness as their spiritual DNA live constantly trying to prove their parentage through their performance The result is a church so sin conscious and self conscious that she is like a bride so insecure in her identity that she has buried the likeness of her Father beneath layers of makeup In this book the author begins to peel back that makeup to reveal the simple beauty of the gospel Christ in us The Book of Revelation Bishop Audrey Drummonds Ph.D.,2016-02-24 Volume 2 is a continuation of our study on the Book of Revelation as pertained to who we are today in Christ Jesus It was never meant to be a book full of tormenting fear that would cause us to want to leave this world but through the mind of Christ we have access to our heavenly inheritance to live in our Christ identity today The Bible is a book written by God and the formation of His family When we believe and understand the revelation of Christ already in us we are shaped into His image so that when others see us they see their Heavenly Father When Jesus said It is finished was he just making a way for personal salvation with God or was there a bigger picture Have death and the judgment seat been appeased or is there something more that we are required to do John 14 12 says Verily verily I say unto you he that believeth on me the works that I do shall he do also and greater works than these shall he do because I go unto my Father For over two thousand years the body of Christ has been like kings and lords hiding in a cave waiting for a someday when they get to heaven to receive their inheritance as a son of God When Jesus died he gave us the ram s horn to declare that our jubilee is here now for us to receive This book continues with the Holy Spirit s instructions for our spiritual process that must take place individually and then corporately in each child of God to walk in the authority and power as His son What He created in spirit must come forth in the flesh with His image and likeness We must know in our heart that we are an offspring a portion of the original **The Victorious Life of Faith** Dr. Richard B. Peoples Sr.,2016-10-17 Faith in God and His Word is vital to every believer and yet it seems to be one of the most misunderstood and often neglected truths in the lives of Christians The Victorious Life of Faith is the answer to the misunderstanding Within these few chapters Dr Peoples presents faith in such a way that every reader will be able to effectively apply the concepts to their day to day living the end result will be success through The Victorious Life of Faith **Rectification ('justification') in Paul, in Historical Perspective, and in the English Bible: Paul's doctrine of rectification in English versions of the New Testament** Richard Kingsley Moore,2002 Using the Greek text and English versions of the New Testament this book presents a detailed examination of how Paul s doctrine of justification has been
