**An Unconventional History of Western Philosophy** Karen J. Warren, 2008-12-16 Gender scholarship during the last four decades has shown that the exclusion of women s voices and perspectives has diminished academic disciplines in important ways Traditional scholarship in philosophy is no different The recovery project in philosophy is engaged in re discovering the names lives texts and perspectives of women philosophers from the 6th Century BCE to the present Karen Warren brings together 16 colleagues for a unique groundbreaking study of Western philosophy which combines pairs of leading men and women philosophers over the past 2600 years acknowledging and evaluating their contributions to foundational themes in philosophy including epistemology metaphysics and ethics Introductory essays primary source readings and commentaries comprise each chapter to offer a rich and accessible introduction to and evaluation of these vital philosophical contributions A helpful appendix canvasses an extraordinary number of women philosophers for further discovery and study

*Uses and Abuses of the Classics* Jorge J. E. Gracia, Jiyuan

Yu,2017-11-22 From very early on Western philosophers have been obsessed with the understanding of a relatively few works of philosophy which have played a disproportionately large and fundamental role in developing the Western philosophical canon dominating the curriculum in the past and in the present there is no indication that they will not do so in the future *Uses and Abuses of the Classics* examines the various ways in which the different periods of the history of philosophy have approached these texts The editors have chosen for analysis some of the major philosophers from periods of the history of philosophy in which the interpretation of the classics has been particularly significant Contributions to this book include entries on Aristotle s reading of Plato Averroes on Aristotle Nietzsche on the Beginnings of Western Philosophy and Thomas Aquinas s Commentary on Aristotle s Metaphysics *History of Western Philosophy* Bertrand Russell,2004 *History Of Western Philosophy* was published in 1946 A dazzlingly ambitious project it remains unchallenged to this day as the ultimate introduction to Western philosophy **Thinking About Happiness** Richard Myers,2020-12-22 Have you ever thought about what makes for a happy life Not many people give the question more than cursory attention And if they do think about it it s hard for them to get beyond the platitudes and prejudices of our time This book draws on classics of Western philosophy to introduce young people to five ways of thinking about how to prepare for a happy life *Classics in Western Philosophy of Art* Noel Carroll,2022 **Classics in Western Philosophy of Art** Noël Carroll,2022-03-01 In this synthetic introduction to the history of the philosophy of art No 1 Carroll elucidates and analyzes selected writings on art by Plato Aristotle Hutcheson Hume Kant Hegel Schopenhauer Tolstoy and Bell Carroll s narrative tracks developments between major positions in philosophy of art ranging from the idea that art is unavoidably embedded in society to the evolution of the notion that art is autonomous art for art s sake thereby setting the stage for continuing debates in the philosophy of art Presupposing no prior background and useful on its own or accompanying the reading of primary works *Classics in Western Philosophy of Art* is ideal as a text for introductory undergraduate and graduate courses in philosophy of art and aesthetics or for anyone interested in learning about the origin of some of our most fundamental conceptions of art in the Western tradition [Proceedings and Addresses of the American Philosophical Association](#) American Philosophical Association,1996 List of members in v 1 [Directory of American Philosophers](#) ,2014 *Chinkon Kishin* Birgit Staemmler,2009 **International Philosophical Quarterly** ,1961 *Classics of Philosophy* Louis P. Pojman,Lewis Vaughn,2011 Incorporating the insights of new coeditor Lewis Vaughn *Classics of Philosophy* Third Edition is the most comprehensive anthology of writings in Western philosophy in print Spanning 2 500 years of thought it is ideal for introduction to philosophy and history of philosophy courses It features more than seventy selections by forty philosophers along with fragments from the Pre Socratics offering students and instructors an extensive and economical collection of the major works of the Western tradition This volume contains the most important writings from Thales to Rawls twenty of these are complete works while the others are judiciously abridged so that little of value to the student is lost A lucid introduction including a brief
