

CONTENT CREATION CHECKLIST

RELEVANCY

The goal is to provide your readers with a blog that is actually useful to them. It's only when you create high-quality content that your blog can convert into a lead generation platform.

SEARCHABILITY

Once you have a good topic (defined by one that your potential customers will be interested in) you can utilize some marketing tools to ensure you're capitalizing on all the SEO opportunities available.

TYPE

Maximize your content marketing plan by producing multiple types of content out of one topic. This can also help your content reach your audience at different stages of their customer journey.

PROMOTION

When you're creating marketing content, you should always be thinking about where it can go and how you can promote it. Social media and email marketing are two common cross-promotion strategies for B2B and B2C businesses.

CTA

In the back of your mind, you should always be thinking: "What do I want a user to do after viewing this piece of content?" CTAs are where you make all your ROI—literally and figuratively.
