Buddhism A Modern Perspective:

Buddhism Charles S. Prebish, 2010-11-01 **Buddhism: A Modern Perspective**, 1984 **Buddhist Studies from India to America** Damien Keown, 2006-01-16 Charles Prebish is Professor of Buddhism Pennsylvania State University US a leading international scholar and co founder of what is now the Buddhism section of the American Academy of Religion and served an additional term on the steering committee Prebish is well known in N America and this book should attract readers in the region The author of the book Damien Keown and Charles Prebish are editors of the Critical Studies in Buddhism series published by Routledge Contributors are well known international scholars whose participation guarantees that the academic quality of the work is high and the standard even throughout **Comparative Mysticism** Steven T. Katz, 2013 This collection of primary texts introduces readers to the mystical literature of the world's great religious traditions Beginning with an introduction by Steven T Katz a leading scholar of mysticism the anthology comprises poetry prayer narrative and other writings from Jewish Christian Muslim Hindu Buddhist Taoist Confucianist and Native American traditions This collection provides readers not only with the primary mystical texts from each religious tradition but with an explanation of the context of the source and tradition **Comparative Mysticism** shows how the great mystical traditions of the world are deeply rooted in the religious traditions from which they originated The contextual methodological approach taken throughout the anthology also addresses the critical question of what these mystical traditions at their highest level have in common Despite the prevailing view that mystical traditions throughout the world are essentially similar the presentation of the sources in this volume suggests that in fact the various traditions have distinct teachings and different metaphysical goals The writings collected in **Comparative Mysticism** address the most fundamental and important methodological epistemological and hermeneutical questions regarding the study and interpretation of mysticism and mystical sources across cultures This anthology will be an invaluable resource to students and scholars of mystic tradition for years to come

Buddhist Psychology Edwina Pio, 1988 *Asian Perspectives on the World's Religions after September 11* Arvind Sharma, Madhu Khanna, 2013-02-15 This book offers a unique perspective on September 11 and our world after this tragic event sharing lessons from an Asian religious experience that can help heal a world troubled by religious conflicts and deepening divisions and promote a positive global transformation Existing literature regarding the events of September 11 and our world afterward has focused mostly on the West and the Middle East *Asian Perspectives on the World's Religions after September 11* extends this discussion to include Asia a continent and culture far too important to be ignored in any assessment of the global impact of this event The book is organized along the following themes as they emerged post September 11th religion and civilizational dialogue religion conflict and peace religion and human rights religion and ethics religion and the arts religion hermeneutics and literature religion and gender religion and ecology and religion and globalization Individuals who are studying or teaching political science international relations philosophy ethics Asian studies
