Buddhist Monuments:

Buddhist Monuments and Temples of Cambodia and Laos W. Vivian De Thabrew, 2014-12-10 This is the third volume in my series on Buddhist monuments and temples in South Asia and the last one dealing with orthodox or Theravada Buddhism The advent of Theravada Buddhism in Cambodia and Laos came during the 11th century while Mahayana Buddhism came much earlier to Cambodia Laos however with its constant contact with Thailand Siam inherited Theravada or the pure form of Buddhism The specific origins of the peoples of these countries are uncertain due to the lack of historical documentation Due to the constant wars and invasions between these and neighbouring countries such as Myanmar Burma and Thailand Siam many temples monasteries and stupas suffered destruction and statues and other religious artefacts were pillaged Therefore there are far fewer historical temples and monuments than might have been expected In fact Sri Lanka is the only Theravada country in which there are substantial ancient Buddhist monuments and temples remaining in good order and still in use Furthermore the history of these is well documented the oldest ones dating back to the Buddha It is impossible to comprehensively deal with such an expansive subject encompassing the two countries in this small volume Therefore I have confined myself to areas and places which have grown in popularity are of major importance and those which are easily accessible During the course of writing the books in this series I have visited all the sites dealt within them and taken most of the photographs It is sincerely hoped that this small volume will be useful to those who are interested in seeing the monuments described and also kindle their interest in the study of this subject **Buddhist Monuments J.**

and penances to his mystical life his works and achievements all through the Himalayan region along with Tibet That leads to establish strongly that the home of the Uddiyana Guru is nowhere else but in Odisha Focus has been laid to establish facts and all evidences showing that Uddiyana is but Odisha This may be considered as the exclusive and exhaustive compilation published for the first time in India
