

# Buffalo Soldier Regiment

**Keven R. Lynch**

## **Buffalo Soldier Regiment:**

History of the Twenty-fifth Regiment John Henry Nankivell,1969      **The Buffalo Soldiers** Tamra Orr,2020-02-10 As peacekeepers on American soil and as soldiers fighting the Spanish American War the Buffalo Soldiers saved lives and gave their own to help the United States grow Find out what roles they played and how as soldiers they took a major step toward desegregating the military and in gaining civil rights for future generations      **Buffalo Soldiers** Brynn Baker,2015-08 Discusses the heroic actions and experiences of the Buffalo Soldiers and the impact they made during times of war or conflict

**The Buffalo Soldiers** Alice K. Flanagan,2005 Read about the lives and experiences of the Buffalo Soldiers      The Story of the Buffalo Super Soldiers Charles Johnson,2017-11-22 The Story of the Buffalo Super Soldiers Vol 1 The original Buffalo Soldiers according to Wikipedia org were members of the 10th Cavalry Regiment of the United States Army formed on September 21 1866 at Fort Leavenworth Kansas This nickname was given to the Negro Cavalry by the Native American tribes they fought in the Indian Wars The term eventually became synonymous with all of the African American regiments formed in 1866 There regiments were the 9th Cavalry Regiment the 10th Cavalry Regiment the 24th Infantry Regiment and the 25th Infantry Regiment The Buffalo Soldiers were the first peacetime all black regiments in the regular U S Army established by Congress On September 6 2005 Mark Matthews the last living Buffalo Soldier died at the age of 111 Now a new group of blacks have evolved to take the place of the original Buffalo Soldiers to keep the peace in a new day and age when mankind s enemy has evolved from the simple enemy soldiers and terrorist to a bread of super villains that mankind has never seen the likes of before These groups of black superheroes are known as the Buffalo Super Soldiers      **Black Officer in a Buffalo Soldier Regiment** Brian Shellum,2010-02-01 An unheralded military hero Charles Young 18641922 was the third black graduate of West Point the first African American national park superintendent the first black U S military attach the first African American officer to command a Regular Army regiment and the highest ranking black officer in the Regular Army until his death Black Officer in a Buffalo Soldier Regiment tells the story of the man who willingly or not served as a standard bearer for his race in the officer corps for nearly thirty years and who if not for racial prejudice would have become the first African American general      **The Buffalo Soldiers** Debra J. Sheffer Ph.D.,2015-03-24 This riveting narrative focuses on the Buffalo Soldiers tracing the legacy of black military service and its social economic and political impact from the colonial era through the end of the 19th century This fascinating saga follows the story of the Buffalo Soldiers as they participated in key events in America s history Author Debra J Sheffer discusses the impetus for the earliest black military service how that service led to the creation of the Buffalo Soldiers and how these men and one woman continued to serve in the face of epic obstacles The work celebrates their significant military contributions to the campaigns of the American frontier and other battles their fighting experiences and life on the plains Starting with the American Revolution the book traces the heroic journey of these legendary servicemen from the period when black Americans first

sought full citizenship in exchange for military service to the integration of the military and the dissolution of all black regiments Several chapters highlight the special achievements of the 9th and 10th United States Cavalry and the 24th and 25th United States Infantry The book also features the accomplishments both of the unit and individuals of the Buffalo Soldiers in battle and beyond [The Buffalo Soldiers](#) William H. Leckie, Shirley A. Leckie, 2012-10-19 Originally published in 1967 William H Leckie s *The Buffalo Soldiers* was the first book of its kind to recognize the importance of African American units in the conquest of the West Decades later with sales of more than 75 000 copies *The Buffalo Soldiers* has become a classic Now in a newly revised edition the authors have expanded the original research to explore more deeply the lives of buffalo soldiers in the Ninth and Tenth Cavalry Regiments **Buffalo Soldiers** Charles River Editors, 2019-12-20 Includes pictures Includes excerpts of contemporary accounts Includes a bibliography for further reading During the Civil War over 180 000 black men fought in volunteer units as part of the United States Colored Troop USCT but it was only after the end of it that they were allowed to enlist in the Regular Army They did so in four segregated regiments and they colloquially became known as Buffalo Soldiers The evolution of these black units followed the course of the organization of the peacetime Regular Army With the end of the Civil War came the demobilization of the millions of men who had volunteered to fight on behalf of the Union including the USCT which disbanded in late 1865 The first draft of a bill setting the organization of the Army sent to the House on March 7 1866 called for the establishment of eight infantry regiments to be staffed by veterans of the USCT but the legislation lacked similar provisions for black cavalry units When the bill got to the Senate for approval Senator Benjamin Wade succeeded in having a provision added that authorized black cavalry units The bill that passed on July 28 1866 authorized a total of 10 regiments of cavalry and 45 regiments of infantry and in 1867 the Regular Army raised two regiments of black cavalry designated the 9th Colored Cavalry and the 10th Colored Cavalry In addition the Army raised four regiments of black infantry the 38th Colored Infantry the 39th Colored Infantry the 40th Colored Infantry and the 41st Colored Infantry Ultimately however the number of black regiments did not stay at six for very long because in 1869 there was a further reduction in the size of the Regular Army with the number of infantry regiments reduced to 25 As part of the reduction the number of black regiments was reduced from four to two so the 38th and 41st were reorganized as the 25th Colored Infantry and the 39th and 40th were reorganized as the 24th Colored Infantry The enlistment in both the cavalry and infantry was for five years with soldiers being paid 13 a month plus room board and clothing Of course these units are now known for the nickname attached to them but exactly where the nickname Buffalo Soldiers came from is a subject of some dispute Dr Walter Hill wrote According to Benjamin H Grierson Colonel 10th Cavalry 1867 to 1890 the 10th acquired the name Buffalo Soldiers during the 1871 campaign against the Comanches in the Indian Territory Grierson said that the Comanches respected the soldiers tireless marching and dogged trail skills They had earned the name of the rugged and revered buffalo The 10th made the Buffalo its regimental coat of arms years later but the term Buffalo Soldiers became

synonymous with both the 9th and 10th units The term appeared in public for the first time in 1873 in reference to the 10th Cavalry in a letter from Mrs Frances M A Roe to a popular magazine She wrote The officers say that the Negroes make good soldiers and fight like fiends the Indians call them buffalo soldiers because their woolly heads are so much like the matted cushion that is between the horns of the buffalo Others believe that the nickname originated from the Cheyanne Another possible source came from the Apaches for the buffalo coats they wore in the winter Buffalo Soldiers The History and Legacy of the Black Soldiers Who Fought in the U S Army during the Indian Wars examines how the regiments were raised and what their service entailed over the course of several decades Along with pictures depicting important people places and events you will learn about the Buffalo Soldiers like never before [Secret of the Buffalo Soldiers](#) CSM Milton B. Hazzard,2018-08-30 [Secret of the Buffalo Soldiers](#) By CSM Milton B Hazzard Often a forgotten or glossed over part of our history as Americans the Buffalo Soldiers were a unique fighting force in the nineteenth century Made up of new recruits and black Civil War veterans who found it difficult to fit into the U S Army during peacetime the Buffalo Soldiers were cavalry regiments sent west to keep the peace on the American frontier These brave men fought to defend a country that had until only recently enslaved millions of their own kind [Secret of the Buffalo Soldiers](#) is one part history text and one part narrative Readers will find a detailed look at the history of slavery and racism around the world intertwined with the story of a young man who took a chance enlisted in the U S Army and rose through the ranks to become one of the leaders of the Buffalo Soldiers **Buffalo Soldiers in Alaska** Brian G. Shellum,2021-11 Brian G Shellum tells the story of Company L which served in Skagway Alaska and was one of the two companies added to the all Black Twenty Fourth U S Infantry Regiment after war was declared on Spain in April 1898 [The Buffalo Soldiers](#) William H. Leckie,1967 Negro soldiers who wanted to remain in the United States Army after the Civil War were organized into the Ninth and Tenth Cavalry Regiments Their service in controlling hostile Indians on the Great Plains during the next twenty years was as invaluable as it was unrecognized **Serving the Nation as a Buffalo Soldier** Allison Lassieur,2024 As a Buffalo Soldier in the all Black regiment of the United States Army you confront various threats including warfare bandits wildlife and racism facing pivotal decisions in your commitment to safeguard America during a tumultuous era **Buffalo Soldiers in California** Brian G. Shellum, [Buffalo Soldiers and Officers of the Ninth Cavalry, 1867-1898](#) Charles L. Kenner,2014-08-04 The inclusion of the Ninth Cavalry and three other African American regiments in the post Civil War army was one of the nation s most problematic social experiments The first fifteen years following its organization in 1866 were stained by mutinies slanderous verbal assaults and sadistic abuses by their officers Eventually however a number of considerate and dedicated officers including Major Guy Henry Captain Charles Parker and Lieutenant Matthais Day in cooperation with capable noncommissioned officers such as George Mason Madison Ingoman and Moses Williams created an elite and well disciplined fighting unit that won the respect of all but the most racist whites **What's a Buffalo Soldier?** Keven R. Lynch,2005-12

When a mighty magical force sweeps Amber and Trevor into the past they relive historical events and soon learn more about the little known Buffalo Soldiers than any history book could teach The 9th and 10th cavalry and 24th and 25th infantry regiments were African American soldiers nicknamed Buffalo Soldiers by the Native Americans they encountered The plot is based on history In September of 1867 in northern Colorado Captain Lewis H Carpenter and his H Company of Buffalo Soldiers rescued Major George A Forsythe s regiment who were pinned down by the Cheyenne Lakota and Arapahoe Trevor and Amber accompany the soldiers on this mission and are afforded a close up and personal view of their lives and learn firsthand of their dedication valor and discipline About the Author A teacher at Sanders Elementary School in Austell Georgia and an adjunct at Kennesaw State University Keven R Lynch is quite familiar with the misbegotten ideas and misconceptions most Americans adults and children alike have regarding the role Blacks have played in forming our country since the Civil War Ms Lynch is currently working on the second book in the series in which Amber and Trevor take a flight through history and visit the Tuskegee Airmen

**Buffalo Soldiers** Ron Field,Alexander Bielakowski,2008-11-18 The first regular army regiments of African Americans were authorized by Congress in July 1866 and African American soldiers have played an important role in the conflicts of their country ever since These brave men fought not only tirelessly against the enemy but also against prejudice and discrimination within the armed forces striving to be given the chance to show their worth and fight for their country Their efforts culminated in the integration of the armed forces starting in 1946 This book covers the history of African American soldiers from the American Civil War and their initial involvement on the western frontier during the Plains Wars where they were nicknamed Buffalo Soldiers by their Native American enemies It then examines their role during the age of American Imperialism campaigning across Cuba and Mexico before distinguishing themselves in the trenches of World War I Finally it examines their participation in World War II where almost half a million African Americans fought and died for their country and the subsequent desegregation of the armed forces Accompanied by color illustrations and rare photographs the text chronicles the actions of these units their uniform and appearance and how they were to eventually overcome discrimination and prejudice

**Buffalo Soldier** Ollen Hunt,2022-09-03 Early black infantry regiments were nicknamed Buffalo Soldiers by Native Americans symbolizing the respect they had for the African American soldier s bravery and valor For more than 150 years these descendants of kings and queens chiefs leaders and people of Africa have distinguished themselves with desire dedication and discipline Ollen Hunt one of the last Buffalo Soldiers writes in this book about what America has done for him and what he has done for America His story is one of desire dedication and discipline of bravery and valor Throughout his life Ollen has distinguished himself in the Civilian Conservation Corp US Army business husband and father and community leader He has been a true soldier in every aspect of his life He s shown that regardless of humble beginnings prejudice war and other handicaps and hardships of life a man can succeed if he adopts the attitude of the early Buffalo Soldier s slogan deeds not words Buffalo Soldier is an uplifting biography and an example of hope for young

and old alike      *Black Officer in a Buffalo Soldier Regiment* Brian Shellum, 2010-02 A valuable read for anyone with an interest in the final years of the frontier Army American imperialism African Americans in military service and American military history in general A A Nofi Strategypage com Shellum s book seeks to restore a hero to the ranks of military history at the same time it informs our understanding of the role of race in the history of the American military An unheralded military hero Charles Young 1864 1922 was the third black graduate of West Point the first African American national park superintendent the first black U S military attach the first African American officer to command a Regular Army regiment and the highest ranking black officer in the Regular Army until his death *Black Officer in a Buffalo Soldier Regiment* tells the story of the man who willingly or not served as a standard bearer for his race in the officer corps for nearly thirty years and who if not for racial prejudice would have become the first African American general Brian G Shellum describes how during his remarkable army career Young was shuffled among the few assignments deemed suitable for a black officer in a white man s army the Buffalo Soldier regiments an African American college and diplomatic posts in black republics such as Liberia Nonetheless he used his experience to establish himself as an exceptional cavalry officer He was a colonel on the eve of the United States entry into World War I when serious medical problems and racial intolerance denied him command and ended his career      *Our Journey with the Buffalo Soldiers* George Hicks, III, Carmon Weaver Hicks, 2006 *Our Journey with the Buffalo Soldiers* is a compilation of historical research travel adventures family histories and personal stories African American military units were established in 1866 and these soldiers had much to prove They earned the name Buffalo Soldiers from Indians who held their fighting spirit in high regard Over the years they served in all of the military conflicts the Indian Wars the Spanish American War World War I and World War II Stories of racial prejudice are peppered throughout their history During World War II the Army mechanized their equipment and these units were disbanded This journey focuses on the stories of World War II soldiers but a historical perspective is provided to lay the foundation for these stories Information about Lt Henry O Flipper the first African American graduate from the West Point Military Academy and other historical military figures are included Each story is situated by its location and is part of the journey The stories about the World War II soldiers are personal and touching Some described how they were afraid of horses but learned to ride clean and feed them There are more stories about traveling by train across the US living on a ship going across the Atlantic Ocean experiencing a accident in a jeep during the European Theater leaving the Army and joining the Air Force and life events after World War II Many men returned home and took advantage of the GI Bill or settled into stable government jobs Photographs and interviews with Buffalo Soldiers who attended the reunions of the Buffalo Soldiers every July add a special touch City by city and fort by fort personal stories are connected to each location From Thomasville GA to Portland OR the Buffalo Soldiers have many stories to share On April 8 2004 George Hicks III wrote I get excited when I read stories about African American men who served in the U S Army as infantryman and cavalryman These soldiers Buffalo Soldiers were my

ancestors I grew up in the 1950s 1960s watching westerns movies and I never saw black men riding horses nor as soldiers in the all white U S cavalry regiments Not until the 1980s when the stories of black soldiers were covered in the media did I revisit my childhood and ask questions The Buffalo Soldiers were mistreated issued inferior clothing and equipment and received less compensation for their effort They were assigned to military posts far from their families and the townspeople because the same people that they were to protect did not like the color of their skin They endured the storms and I am so very proud of my black brothers I have visited places where they served Washington DC California Virginia Arizona Mexico Washington Oregon and Kansas and lived in their hometowns I interviewed troopers who served in the 9th 10th 27th and 28th Horse Cavalry regiments The landscape where they served even today looks rough hot and uncomfortable If they could do what they did under those conditions servicing this country Surely I can sit in the comforts of my home and write about what I discovered about my ancestors I decided to tell what I am learning about these men and women Yes there was at least one documented female Buffalo Soldier Cathy Williams It feels good to write positive stories about us Perhaps there are other positive stories that need to be written If you discover a subject that inspires you sit down and start writing for future generations It is our history When you know your past you can better understand your present and prepare for the future On June 22 2004 Carmon Weaver Hicks wrote George led most of the journey When you read a section that starts with the pronoun I the I is George For many sections the pronoun is we We learned so much worked so hard and feel so good about our efforts This journey has been George s mission but you

This is likewise one of the factors by obtaining the soft documents of this **Buffalo Soldier Regiment** by online. You might not require more era to spend to go to the ebook establishment as competently as search for them. In some cases, you likewise complete not discover the pronouncement Buffalo Soldier Regiment that you are looking for. It will categorically squander the time.

However below, with you visit this web page, it will be appropriately definitely easy to acquire as competently as download lead Buffalo Soldier Regiment

It will not agree to many get older as we tell before. You can realize it even though work something else at house and even in your workplace. hence easy! So, are you question? Just exercise just what we come up with the money for below as without difficulty as review **Buffalo Soldier Regiment** what you like to read!
