

WESTERN CIVILIZATION

The background of the slide features a photograph of ancient Greek ruins. On the right side, there is a well-preserved section of a classical temple with several tall, fluted columns supporting a stone entablature. The foreground and middle ground are filled with a large, disorganized pile of rubble and broken stone blocks, suggesting a site of archaeological excavation or a partially destroyed structure. The sky is a clear, bright blue, and the overall lighting is warm, typical of a sunny day.
