

Buddhism & Science

B. Alan Wallace

A golden Buddha statue is the central focus, shown from the chest up. The Buddha has a serene expression, closed eyes, and a slight smile. The statue is highly detailed, with an ornate crown and a large, flame-like halo (nimbus) behind its head. The background is a solid, vibrant blue. In the top right corner, there is a small orange rectangular shape. The title 'Buddhism & Science' is at the top, and the author's name 'B. Alan Wallace' is at the bottom.
