Buddhism Transformed:

Buddhism Transformed Richard Gombrich, Gananath Obeyesekere, 1988 In this study a social and cultural anthropologist and a specialist in the study of religion pool their talents to examine recent changes in popular religion in Sri Lanka As the Sinhala themselves perceive it Buddhism proper has always shared the religious arena with a spirit religion While Buddhism concerns salvation the spirit religion focuses on worldly welfare Buddhism Transformed describes and analyzes the changes that have profoundly altered the character of Sinhala religion in both areas

A Comparative Sociology of World Religions Stephen Sharot, 2001-08 A Sociology of World Religions presents a comparative analysis of the world's religions focusing on the differences and interrelationships between religious elites and lay masses In each case the volume contextualizes how the relationships between these two religious forms fit within and are influenced by the wider socio-political environment After introducing the book's major themes the volume introduces and builds upon an analysis of Weber's model of religious action drawing on Durkheim Marxist scholars and the work of contemporary sociologists and anthropologists The following chapters each focus on major religious cultures including Hinduism Buddhism Catholicism Protestantism Islam Judaism and the religions of China and Japan This ambitious project is the first to offer a comparison of the popular or folk forms of religion around the world Sharot's accessible introductions to each of the world religions synthesizing a vast literature on popular religion from sociology anthropology and historians of religion make the project ideal for course use His comparative approach and original analyses will prove rewarding even for experts on each of the world religions

Women Under the Bo Tree Tessa J. Bartholomeusz, 1994-08-25 A lively examination of female world renunciation on Buddhist Sri Lanka

Rescued from the Nation Steven Kemper, 2015-01-13 Anagarika Dharmapala is one of the most galvanizing figures in Sri Lanka's recent turbulent history He is widely regarded as the nationalist hero who saved the Sinhala people from cultural collapse and whose protestant reformation of Buddhism drove monks toward increased political involvement and ethnic confrontation Yet as tied to Sri Lankan nationalism as Dharmapala is in popular memory he spent the vast majority of his life abroad engaging other concerns In Rescued from the Nation Steven Kemper reevaluates this important figure in the light of an unprecedented number of his writings ones that paint a picture not of a nationalist zealot but of a spiritual seeker earnest in his pursuit of salvation Drawing on huge stores of source materials nearly one hundred diaries and notebooks Kemper reconfigures Dharmapala as a world renouncer first and a political activist second Following Dharmapala on his travels between East Asia South Asia Europe and the United States he traces his lifelong project of creating a unified Buddhist world recovering the place of the Buddha's Enlightenment and imitating the Buddha's life course The result is a needed corrective to Dharmapala's embattled legacy one that resituates Sri Lanka's political awakening within the religious one that was Dharmapala's life project

The Third Birth of Confucius Kashi Ram Sharma,2022-04-27 The Third Birth of Confucius deals with the Chinese sage and philosopher Confucius and his philosophical and politico cultural legacies As the title suggests Confucius has once again taken birth in China Confucius died for the first time when he gave way to Buddhism in the tenth century but was reinvented again Neo Confucianism This was the second birth of Confucius In the twentieth century under the influence of western ideas China s liberals and Marxists abandoned Confucius again But how long can a civilization live without any ideational orientation Hence the third birth of Confucius from AD 2000 onwards Confucius is emerging as a proxy word for cultural nationalism In fact it is not one Confucius who is taking birth in China but two One is the common man s Confucius which is authentic and genuine The other Confucius is promoted by the Chinese Government The author believes that soon either China will embrace democracy or it may implode and disintegrate like the former Soviet Union This book is an attempt to unravel the muddled reality of China and will definitely prove a landmark work in the field of Chinese Studies
