Racial Ambiguity in Asian American Culture Jennifer Ann Ho, 2015-05-12 The sheer diversity of the Asian American populace makes them an ambiguous racial category Indeed the 2010 U S Census lists twenty four Asian ethnic groups lumping together under one heading people with dramatically different historical backgrounds and cultures In *Racial Ambiguity in Asian American Culture* Jennifer Ann Ho shines a light on the hybrid and indeterminate aspects of race revealing ambiguity to be paramount to a more nuanced understanding both of race and of what it means to be Asian American Exploring a variety of subjects and cultural artifacts Ho reveals how Asian American subjects evince a deep racial ambiguity that unmoors the concept of race from any fixed or finite understanding For example the book examines the racial ambiguity of Japanese American nisei Yoshiko Nakamura deLeon who during World War II underwent an abrupt transition from being an enemy alien to an assimilating American via the Mixed Marriage Policy of 1942 It looks at the blogs of Korean Taiwanese and Vietnamese Americans who were adopted as children by white American families and have conflicted feelings about their honorary white status And it discusses Tiger Woods the most famous mixed race Asian American whose description of himself as Cablinasian reflecting his background as Black Asian Caucasian and Native American perfectly captures the ambiguity of racial classifications Race is an abstraction that we treat as concrete a construct that reflects only our desires fears and anxieties Jennifer Ho demonstrates in *Racial Ambiguity in Asian American Culture* that seeing race as ambiguous puts us one step closer to a potential antidote to racism

Beneath the Wings of Geronimo's Spirit R. James Roybal, 2013-09-17 San Augustino said quietly Be careful with that blade Robert You might cut yourself San Augustino was rewarded with Robert shouting a fearful battle cry and charging with his saber held high in an anticipated downward thrust Gasps of horror could be heard at the display of the ungentlemanly like conduct Robert on the other hand was beginning to become disheartened with what he thought was going to be an easy victory with his surprise attack He was mentally out of balance because his saber had only cut air and hit the ground Worse was the sudden realization that he had complexly missed San Augustino and was now lying with his face in the mud Robert immediately jumped up screaming in frustrated anger aided by the feeling of the pain of an imaginary saber blade in his back Robert knew in his heart that he would have taken advantage of the situation if the tables had been turned and Augustino had been the one sliding on his face Robert neednt have feared because San Augustino was still standing perfectly poised about ten feet away almost in the same position that he had been standing when Robert had originally charged It was almost as if San Augustino had not moved Robert suddenly felt a stinging sensation on his chest and looking down was horrified to see a thin red streak that was starting to spread his across his white shirt It was the thinnest of cuts and although not very wide looked painfully deep and more importantly was rapidly bleeding his strength away
