Celebrating Buffalo's Waterfront Bill Zimmermann,Mark D Donnelly,2020-12-13 It s a great time to discover explore and be an active part of Buffalo s dynamic waterfront On near or under the water child or adult there s something for everyone to love Our waterfront is now a destination full of excitement and has a palpable new energy that s positively a cause for celebration This book captures our waterfront s storied past and it s spectacular transformation to where we are today The best chapters have yet to be written As a city and as a region we are completely inseparable from our waterfront It s an embarrassment of wealth that is our connection to our past present and future We depend on this water for our power recreation industry and agriculture It has separated us in war and it s what binds us in peace And for good and for bad it dictates our weather It s our identity to the world reflecting our radiant beauty In short our water is the glue that binds us together This fluid connection however is only a magnificent illusion The same water we gaze out upon today isn t the same water we ll see tomorrow While seemingly abundant and permanent our glue is constantly racing away at the staggering rate of 750 000 gallons per minute We dedicate this book as a celebration of its journey *BUFFALO, WATERFRONT.* ,1969
