Buffy The Vampire Slayer The Script Season Two:

Buffy the Vampire Slayer Joss Whedon, 2002 Episode shooting scripts from the hit show's second season contain never aired dialogue, inside jokes, and production notes for the true Buffyophile. Includes scripts for the episodes Surprise, Innocence, Phases, Bewitched, Bothered and Bewildered, and Passion. Original *Buffy the Vampire Slayer* Simon & Schuster, Limited, 2003-03-03 High drama, heartbreak, sizzling dialogue, and the series trademark humour: this volume has them all collected for fans of the TV show to savour the scriptwriters' style and skill. The five scripts here are episodes 18 to 22 of Season Two and consist of the three very different standalone episodes: Killed by Death, I Only Have Eyes for You, and Go Fish, and Parts 1 and 2 of the season finale, the fan favourite, high tension *Becoming*. Season Two is especially memorable for the Angelus story arc when Angel reverts to his evil vampire self and Buffy is faced with the hardest decision of her life: Who could forget the way in which she comes to terms with her devastating choice as in order to safeguard the future of mankind she is forced to kill the only man she loves.

Buffy the Vampire Slayer Christopher Golden, G. Pocket, Gertrude Pocket, 2001-11-27 The phenomenal success of *Buffy the Vampire Slayer* is owing to a great extent to the quality of the writing. Robert Hanks, TV critic of *The Independent*, wrote in September 2000: "One of the most consistently brilliant pieces of popular entertainment ever, it mixes these broad emotions with real sadness, shifting from wisecracks to loss, self-doubt, and utter loneliness without missing a beat. It would be absurd to compare the show's writing to Shakespeare, but there aren't many other precedents for the way it refuses to observe the conventional divisions between comedy and tragedy." *The Observer* acknowledged the same qualities: "Pulling off these shifts in tone from humour to horror to high emotion is a tribute to the strength of the writing. The *Buffy* scripts are as rewarding and as entertaining on the page as they are on screen." Now thanks to Pocket Books' volume-by-volume publication of the complete collected scripts from the show, fans can savour every moment of high emotion or of wisecracking, quick-fire dialogue. With the added bonus of the original production notes and scenes that were cut from the final aired episodes, for length these are essential reading for all students of TV scriptwriting and a must for *Buffy*'s devoted legion of fans.

SEASON 2 VOLUME 2 contains the following six scripts: Lie to Me, The Dark Age, What's My Line, Part 1, What's My Line, Part 2, Ted and Bad Eggs.

Buffy the Vampire Slayer Joss Whedon, 2001-01 Includes the scripts of the episodes of the second season of the television series *Buffy the Vampire Slayer*.

Buffy the Vampire Slayer, 2003 **Buffy the Vampire Slayer** Joss Whedon, Various, Simon Pulse, 2003-03 Read along to the wrenching conclusion of season two as Buffy must thwart Angelus' plan to bring about the destruction of mankind. Now fans can follow along to original shooting scripts, complete with inside jokes, production notes, and cut dialogue for these episodes: Killed by Death, I Only Have Eyes for You, Go Fish, and *Becoming*.

Queen of the Slayers Nancy Holder,2005-06 There is no time for Buffy to take a vacation and she could be facing death because there is a lot of evil in the world **Cursed** Mel Odom,2003-11 The vampire Spike goes to Los Angeles where he teams up with his former partner Angel *Dark Congress* Christopher Golden,2007-08-28 Since the beginning of time the demonic races have gathered every century to resolve conflicts among them and to determine the course of their future This centennial event was called the Dark Congress In the second century b c however the Dark Congress failed to resolve their conflicts Instead the Congress ignited into a war that drove wedges between the various demon races from that time until now And all of it began as a result of Kandida the great North African river demon being nearly killed by forces in the Congress and magically entombed in the riverbank But now Kandida is free and for the first time in centuries the Dark Congress is being called again All demon races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence Rhode Island Some gather in hopes of resolution some in favor of war and Kandida is tasked to broker a treaty and guide the Congress to peace wherein everyone might simply agree to disagree And so the demons gather under a banner of a truce But the demons still harbor many bitter disagreements with one another The Congress must have an arbiter of these conflicts and that someone is Buffy Summers Buffy is horrified and disgusted to be included After all she is not a demon is she She knows so little about her powers that she cannot say for certain where they truly spring from How can she spend so much time wallowing in the darkness without becoming part of it Can she possibly agree to a truce with all the horrors of the world and allow them to come Providence without any attempt to stop them And does she have a choice
