Bugles West:

Bugles West Frank Gruber, 1954 **Custer's Last Stand** Brian W. Dippie, 1994-01-01 Defeat and death at the Little Bighorn gave General George Custer and his Seventh Cavalry a kind of immortality In *Custer's Last Stand* Brian W Dippie investigates the body of legend surrounding that battle on a bloody Sunday in 1876 His survey of the event in poems novels paintings movies jokes and other ephemera amounts to a unique reflection on the national character **The Keyed Bugle** Ralph T. Dudgeon, 2004-11-20 This new edition of *The Keyed Bugle* is an expansion rather than a revision of the first edition The performance practice discussion has been extended to cater to the needs of the reader who wishes to learn the instrument All chapters contain new information and the chapters on Performers Makers and Sellers have been extensively expanded An additional chapter offers an explanation of the peculiarly distinct acoustics of keyed bugles and provides an analysis of construction styles employed by particular makers After closely researching instruments that have been documented by the signatures of specific firms and comparing them with unmarked examples the author enables readers to make confident observations on the nature of regional and manufacturer's styles The new research in this area provides the groundwork for informed speculation about the origins of undocumented keyed bugles This work puts the best of current research on the instrument into book form and provides the collector performer and serious music student with a clear picture of the instrument's history repertoire and technique *Bugles in the Afternoon*, 2003-01-01 In *Bugles in the Afternoon* legendary Western writer Ernest Haycox relates a compelling tale of Custer's famed Seventh Cavalry and its fate at the Battle of the Little Bighorn in a balanced mix of action exposition and history Originally published in 1943 this classic work is now back in print in a new paperback edition Historian Richard W Etulain examines the novel's history and Haycox's impact on a timeless genre in an original foreword **The Six-gun Mystique Sequel** John G. Cawelti, 1999 To this structural analysis he adds a new account of the genre's history and its relationship to the myths of the West which have played such an influential role in American history **BOOK JACKET** [Ernest Haycox and the Western](#) Richard W. Etulain, 2017-09-14 Western fans today may not recognize the name Ernest Haycox 1899-1950 but they know his work John Ford turned one of his stories into the iconic film *Stagecoach* and the whole Western literary genre still follows conventions that Haycox deftly mastered and reshaped In this new book about Haycox's literary career Richard W Etulain tells the engrossing story of his rise through the ranks of popular magazine and serial fiction to become one of the Western's most successful creators After graduating from the University of Oregon in 1923 with a degree in journalism Haycox began his quest to break into New York's pulp magazine scene submitting dozens of stories before he began to make a living from his writing By the end of the 1920s he had become a top writer for *Western Story* *Short Stories* and *Adventure* among other popular weeklies and monthlies Ernest Haycox and the Western traces Haycox's path from rank beginner to crack pulp writer to regular contributor to *Collier's* and the *Saturday Evening Post* Etulain shows how Haycox experimented with

techniques to deepen and broaden his Westerns creating more introspective protagonists Hamlet heroes introducing new types of heroines the brunette vixen the blonde Puritan and weaving greater historical realism into his plots After reaching the height of success with his best selling Custer novel *Bugles in the Afternoon* 1944 Haycox moved away from the financially rewarding but artistically constricting Western formula only to achieve his final coup with *The Earthbreakers* a historical novel about the end of the Oregon Trail published posthumously in 1952 Reconstructing the career of a popular literary giant Ernest Haycox and the Western restores Haycox to his rightful place in the history of Western literature *The Revolution Wasn't Televised* Lynn Spigel, Michael Curtin, 1997 Explores the role of television in the social conflicts of the 1960s

Shooting Scripts Bob Herzberg, 2005-04-07 In their heyday pulp westerns were one of America's most popular forms of entertainment Often selling for less than 50 cents the paperback books introduced generations to the exploits of Billy the Kid and Jesse James brought to life numerous villains usually named Black something e.g. Black Bart and Black Pete and created a West that existed only in the minds of several talented writers It was only natural that filmmakers would look to the pulps for stories adapting many of the works for the big screen and shaping the Western film genre The adaptations of seven of the pulps best writers Ernest Haycox Luke Short Frank Gruber Norman A. Fox Louis L. Amour Marvin H. Albert and Clair Huffaker are analyzed here Insightful and humorous the work looks at how the pulp novels and the movie adaptations reflected the times in which they were produced It examines the clichés that became a part of the story the rescue of the heroine the gunfights the evil banker or rancher ready to steal the land of the good law abiding citizens and the harlot with a heart of gold A critical examination of how the books were interpreted or frequently misinterpreted by filmmakers is included along with commentary on the actors and directors who put the pulps on screen **The Maine Bugle ...**, 1894

Twentieth-century Western Writers, 1982 Lists writers of western fiction with a biography a bibliography of the writer's works and a critical essay on each writer Sometimes comments by the author himself are included Twentieth-century Western Writers Geoff Sadler, 1991 Contains alphabetically arranged entries that provide information about nearly five hundred twentieth century writers of Western fiction each featuring a biography a bibliography a signed critical essay and in some cases comments from the author Includes a title index West Indies Directory James Imray and Son, 1900 First Maine Bugle, 1890 Will contain the proceedings of the yearly reunions of the First Maine Cavalry matters of historic value to the Regiment and items of personal interest to all the members West Indies Directory, 1875 *Overland Monthly and the Out West Magazine* Bret Harte, 1923 **The Cumulative Book Index**, 1930 Rifle Shots and Bugle Notes Joseph A. Joel, Lewis R. Stegman, 1883 Diary of the Siege of the Peking Legations, June to August, 1900 William Meyrick Hewlett, 1900 **Literary Trails of the Western States** David James Harkness, 1955 **Journal of the Department of Agriculture of Western Australia**, 1905
