The Anti-Ableist Manifesto Tiffany Yu, 2024-10-08 I defy anyone who reads this powerful and urgently needed manifesto not to be galvanised into action Sophie Morgan TV host and author of *Driving Forwards* A call to arms not just for the disabled community but for every single one of us Dr Shani Dhanda broadcaster and author *An actionable antidote to fear and misconceptions* Service95 In *The Anti Ableist Manifesto* Tiffany Yu highlights the myriad ways in which our society discriminates against people with disabilities and what we can do about it Foregrounding disabled identities that have too often been rendered invisible she demonstrates how ending discrimination begins with self reflection From recognising biases to understanding microaggressions *The Anti Ableist Manifesto* teaches us how to deconstruct ableism at work in our communities and within ourselves Featuring a foreword by Dr Shani Dhanda as well as contributions from disability advocates entrepreneurs and more *The Anti Ableist Manifesto* is an essential guide to going beyond mere awareness and becoming actively anti ableist

Managing at a Distance Tom Coughlan, David J. Fogarty, Gary Bernstein, Lynda Wilson, 2024-02-26 The world of hybrid and remote management is a territory that has yet to be completely explored this book provides some simple navigational aids to help managers and leaders find their way Research indicates that over 56% of college graduates currently work either remotely or in a hybrid arrangement while prior to the pandemic less than 5% of working hours were remote How to manage remote and hybrid workers has rapidly become a significant challenge and one that often requires new policies and organizational restructuring The remote work handbooks available are tactical which can be helpful for day to day decisions but not to tackle larger issues and initiatives This book presents a fully formed research backed strategic framework more than a vehicle to the future it will help leaders to understand where they are now and what is happening around them to change the landscape and to decide where they want to be Speaking to senior executives and team leaders as well as business students this book will become the preferred tool for the development and evaluation of remote and hybrid management policy and strategy across industries

Practical guidelines for Early Warning - Early Action plans on agricultural drought Food and Agriculture Organization of the United Nations , 2020-11-26 The impact of drought in agriculture is one of the most complex natural hazards to predict and mitigate It carries a constant risk for most smallholder farmers around the world According to studies conducted by the Food and Agriculture Organization of the United Nations FAO 83 percent of all damages and losses caused globally by drought between 2006 and 2016 have been absorbed by agriculture putting a good part of the world population at risk of food insecurity The guide aims to guide governments and other relevant actors in the development of early warning early actions on agricultural drought plans that must be implemented before a drought event has significant impacts and causes damages and losses that could eventually become a disaster The manual complements other instruments used at global and local levels to develop EWEA on agricultural and response plans related to drought
