Healthcare Fandom Christina Speck,2023-09-27 The healthcare industry has undergone significant changes since the introduction of consumer directed health plans As a result an entire cottage industry in health tech was created to drive consumer involvement Despite this consumer engagement remains elusive There is a clear need for fan building in healthcare Fans are a critical engagement component of most industries so how can healthcare remain the exception as it strives to be more consumer friendly This book postulates that to have better or more engaged consumers in healthcare we need to strive to build fans followers and friends First readers are initiated to the complexities in healthcare and necessary mindset changes to create fans and sustained engagement Second a model based on best practices from consumer disciplines provides a blueprint for building healthcare fans Third possible applications for Fandom in healthcare are illustrated with tools and templates to get leaders started on their journey for transformative engagement through Fandom It incorporates wisdom based on interviews and discussions with healthcare leaders so Healthcare Fandom can become the oxygen needed for sustained healthcare engagement

Dreamers and Unicorns Abhijit Bhaduri,2023-01-09 Which description fits your organisation DREAMERS Most Dreamers or early stage startups know how to build products not organisations Most Dreamers stay local and never become a Unicorn with a national footprint UNICORNS Three curses the Unicorns have to watch for a narcissistic leader a leadership team of old cronies and a toxic culture These prevent them from going global and becoming Market Shapers MARKET SHAPERS A Market Shaper changes how we live and work across countries and cultures Their challenge is to continuously earn the trust of governments and communities INCUMBENTS Many Incumbents were once Market Shapers and Unicorns The leaders don t know that the firm and its offerings are irrelevant Not being able to attract and retain talent is a warning bell the leaders often ignore Packed with ideas and innovations this powerhouse of a book by best selling author and talent management specialist Abhijit Bhaduri explains why leadership talent and culture are the new drivers of growth whether you are a Dreamer a Unicorn a Market Shaper or an Incumbent

Build Your Tourism Business Clive Bishop,2026-03-25 This book was written for you the person running a small tourism business in a destination that possibly most international travel agents or potential guests

have never heard of The person guiding tours from a base that is not in any glossy brochure yet The person managing a community based experience that earns less than it deserves or trying to build something meaningful from the extraordinary natural cultural and human assets your region possesses It was written for the owner who answers WhatsApp messages at eleven at night who knows every member of the local guiding team by name who cares not just about this season s bookings but about whether the landscape and the community that make those bookings possible will still be here in twenty years It was not written for ministries of tourism international consultancy firms or development banks Those institutions have their own extensive literature and their own resources What they have not reliably produced is a guide written from the perspective of the person actually running the operation one that takes seriously the reality that most tourism SMEs in emerging destinations begin not with a marketing budget and an international operator relationship but with a product worth visiting a team that cares and one honest question where do we actually start The answer this book gives to that question is deliberate start with the market closest to you Build your domestic market first Learn your business through the honest feedback of guests who share your language and cultural context Generate reviews refine your product and build a financial base that makes everything else possible Extend to regional markets next Then when your product is genuinely excellent and your operational capability is genuinely ready open yourself to the international markets where the highest spending visitors are found

Remote work is no longer the future it's the present. The question is: are you thriving or just surviving? Do you wake up feeling busy but not productive? Are you working remotely yet struggling to stand out, stay focused, or grow your career? Do you worry that without clear direction your professional growth is slowly stalling? You're not alone, and that's exactly why *The Modern Remote Professional* was created. This book tells the story of today's professionals navigating a world without offices, fixed schedules, or traditional career ladders. It speaks to the ambitious remote worker, the freelancer building independence, and the professional who wants more control, clarity, and confidence in their career. Inside these pages, you'll discover practical systems, not theory, that help you reclaim your time, sharpen your focus, and build a personal brand that opens doors. This is not about working longer hours; it's about working smarter with intention and balance. What this book helps you achieve: Build powerful productivity systems that actually fit remote work. Create a personal brand that attracts opportunities without feeling fake. Stay focused, organized, and motivated without burnout. Grow your career confidently in remote and freelance environments. Design daily and weekly routines that support long-term success. You'll get a clear spoiler early on: success in remote work isn't luck; it's structure. And once you learn how to design your own systems, everything changes. Worried this might be too complex or only for experienced professionals? Don't be. This book was written for real people with real schedules, whether you're just starting out or already working remotely and want better results. The strategies are simple, flexible, and easy to apply immediately. Perfect as a gift for graduates, remote employees, freelancers, career changers, or anyone looking to take control of their professional future. If you're ready to stop feeling scattered, start building momentum, and grow a career that works for you, this book is your next step. Get your copy today and begin your journey as a confident, focused, and modern remote professional.
