Instagram in an easy to follow guide that will enable you to get the most out of your Instagram ads success with an effective hashtag stories marketing strategy Social Media Influencer - Instagram Marketing - Seo Google Nicolas Borl, 2019-01-28

1 Social Media Influencer If you're reading this eBook then you're well aware of the massive change social media has brought to the marketing industry. Nowadays if you want to sell a product or service you better be present online. However, as any good marketing strategist will tell you, online presence is just the start of things. You don't want to be active in social media and elevate your status to that of an influencer. Back in the day, only big name brands with billions of dollars can make themselves so visible; it would be hard to ignore them. Through social media, however, the competition more or less evens out as you can make yourself noticeable through proper strategies. By the end of this book, you should have a working outline on how to excel in social media marketing, specifically with powerful sites like Facebook and Instagram.

2 Instagram Marketing There is so much to Instagram, especially since its features are updated so often. Explore ways to genuinely gain followers, collaborate, and build relationships with other Instagram users and expand completely on your own platform. Instagram is all about visual sharing, so everybody's main intention is to share and find only the best photos and videos. This book will give you everything you need to know about producing the best photos/videos, making your profile stand out, finding the right people to follow, and navigating your way through Instagram completely. The following chapters will discuss the time and effort required to cultivate a following associated with and linked to your blog. Everyone has different reasons for promoting and marketing their Instagram blogs, strategies, and tactics, which must be implemented in advance and applied in order to be successful on the platform. This book is not only for business owners but also applies to everyday Instagram users. This book is here to guide you through practical ways to find the right audience for your blog, ways of trending, techniques for growing followers, and a variety of other useful tips.
