

"I love B. B., and his life story is as beautiful as his blues—honest, down-to-earth, and full of feeling."

—Ray Charles

"B. B. is king. His heart-and-soul music has inspired me ever since I was a little boy. I truly believe he has influenced generations of singers and musicians. To me, he's one of our great masters."

—Stevie Wonder

"Without a doubt, B. B. King has influenced more rock and blues musicians than anyone else in history. There is simply no one else with more raw passion or eloquence. He's also the kindest and most generous person to other musicians I know. There are reasons why he's been loved and revered for so long—it's the dignity and honor he brings to his life as well as his music, and the fact that he's proved true to why we loved him in the first place."

—Bonnie Raitt

Crabtree, 2023-01-10 An intimate look at the afterlife of lynching through the personal stories of Black victims and survivors who lived through and beyond its trauma Mari N Crabtree traces the long afterlife of lynching in the South through the traumatic memories it left in its wake She unearths how African American victims and survivors found ways to live through and beyond the horrors of lynching offering a theory of African American collective trauma and memory rooted in the ironic spirit of the blues sensibility a spirit of misdirection and cunning that blends joy and pain Black southerners often shielded their loved ones from the most painful memories of local lynchings with strategic silences but also told lynching stories about vengeful ghosts or a wrathful God or the deathbed confessions of a lyncher tormented by his past They protested lynching and its legacies through art and activism and they mourned those lost to a mob's fury They infused a blues element into their lynching narratives to confront traumatic memories and keep the blues at bay even if just for a spell Telling their stories troubles the simplistic binary of resistance or submission that has tended to dominate narratives of Black life and reminds us that amid the utter devastation of lynching were glimmers of hope and an affirmation of life **B.B.
